

MONOLINGUAL

# The New Oxford Picture Dictionary

Pictures convey meaning more clearly than words alone. The **New Oxford Picture Dictionary** presents over 3,000 vocabulary words, clearly illustrated on 100 pages of full-size, color-coded illustrations. Illustrations are arranged within 60 topics, which range from such basics as food, clothing, and shelter to more specific topics such as the space program, occupations, and sports. An index includes all the vocabulary words with a clear, easy-to-follow pronunciation guide. The Dictionary can be used at all levels, by all ages, in most all language skills. With the components, it provides a complete language development program. It's an invaluable resource every student and teacher needs to have.

The **New Oxford Picture Dictionary** contains over 3,000 words (carefully presented in 100 beautifully illustrated pages). Available in paperback or hardcover.

**Bilingual Editions** (Spanish, Chinese, Vietnamese, Cantonese, Japanese, Korean, Russian, Polish, Russian) present the second language in text alongside the English word.

**Wall Charts** (100 feature 10" x 20" full-size reproductions of all the Dictionary pages, with vocabulary numbered on the front and listed on the back of each chart).

**Overhead Transparencies** (100 feature full-size reproductions of all the Dictionary pages for use as overhead projections).

**Vocabulary Playing Cards** (60 unnumbered) include 60 color reproductions and accompanying Dictionary vocabulary, as well as a list of activity suggestions.

**Cassette Book Cassettes** feature a reading of all the Dictionary vocabulary. **Teacher's Guide**, for beginning through advanced level students, offers introducing language and culture notes, as well as activity suggestions for use of the Dictionary in the class.

**Beginner's Workbook**, for students with no prior knowledge of English, provides extensive page-by-page practice with the vocabulary presented in the Dictionary.

**Intermediate Workbook**, for use by high intermediate level students, contains Dictionary vocabulary page-by-page, through written and oral practice.

**Listening and Reading Activity Book**, for beginning level EFL, adults and young adults, is a teacher's resource containing more than 60 communicative activities—with appropriate activity sheets and picture cards—each one carefully related to the Dictionary. A CD-ROM cassette is available separately.
