Basic Readings In Interpersonal Communication Theory And Application:

Basic Readings in Interpersonal Communication Kim Giffin, Bobby R. Patton, 1976 Manual for Nursing Communication Observation Tool (Ncot) Bonnie W. Battey, 2010-06-17 The purpose of this tool the Nursing Communication Observation Tool NCOT is to assist you as an observer in collecting and analyzing data about interpersonal communications It is patterned after the work of Robert Freed Bales of the Center for the Behavioral Sciences at Harvard University and designed for observing any interpersonal communication occurring in nursing practice contexts in which you as a nurse interact with your clients peers leaders and colleagues of nursing and other health care professions **Interpersonal Communication** Bobby R. Patton, Kim Giffin, 1973 Coming to Narrative Arthur P Bochner, 2016-06-16 Reflecting on a 50 year university career Distinguished Professor Arthur Bochner former President of the National Communication Association discloses a lived history both academic and personal that has paralleled many of the paradigm shifts in the human sciences inspired by the turn toward narrative He shows how the human sciences especially in his own areas of interpersonal family and communication theory have evolved from sciences directed toward prediction and control to interpretive ones focused on the search for meaning through qualitative narrative and ethnographic modes of inquiry He outlines the theoretical contributions of such luminaries as Bateson Laing Goffman Henry Gergen and Richardson in this transformation Using diverse forms of narration Bochner seamlessly layers theory and story interweaving his professional and personal life with the social and historical contexts in which they developed Communication and Language Skills Iyabode Omolara Akewo Daniel, 2018-09-30 This book will serve to provide the reader with the communicative and language skills necessary to function in modern society discussing the language and communication enterprise within the current usages of the modern English language It identifies the descriptive functioning of language as well as the communicative processes involved in its usage The book takes a new look at traditional language skills from a modern perspective focusing on their importance as communication tools for the twenty first century learner of the English language The reality of technology as part of the modern life is also brought to bear on the discussions in the book showing that its application to reading can serve to fast track the mastery of reading efficiency As the book will serve to make the user of the English language in the twenty first century effective in all their endeavours that require its usage it will be particularly useful for learners of English as a second language
