## **Basics On Sheffield History:**

*Basic Books on Sheffield History* City Council (Sheffield). - Libraries, Art Galleries and Museums Committee, 1958

**Introduction to the Hebrew Bible** John Joseph Collins, 2014 Introduction to the Hebrew Bible is one of the most reliable and widely adopted critical textbooks at undergraduate and graduate levels alike The text is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments Collins proceeds through the canon of the Old Testament and the Apocrypha judiciously presenting the current state of historical archaeological and literary understanding of the biblical text and engaging the student in questions of significance and interpretation for the contemporary world The revised second edition is now presented in a refreshing new format **Basic Books on Sheffield History** City Libraries (Sheffield.) Department of Local History and Archives, 1958 **Old Testament Introduction** Robin Routledge, 2016-07-21 The Old Testament is part of the canon of Christian Scripture and as such has continuing significance for the church However the writings are set within a different historical era a different culture and a different religious context To understand the Old Testament in a meaningful way it must be read against its historical cultural and theological background Here Robin Routledge enables readers to engage with the text He discusses date authorship the writers intention and purpose and significant textual issues key scholarly approaches to the text including historical critical and literary approaches To help us comprehend and interpret the Old Testament and so apply it to current belief and praxis Routledge includes an overview of exegetical and hermeneutical approaches He also offers some guidance through the maze of new treatments and terminology The volume provides specific introductions to the sections and books of the Old Testament following the canonical order of the Hebrew text In addition Routledge notes key distinctive issues and points to sources for further study The author's hope is that this volume will not only aid students but will also benefit others who want to take the Old Testament seriously and to apply its message to the life and ministry of the church today Scholarly and lucid Old Testament Introduction is designed especially for those who want to understand how to read the Old Testament as Christian Scripture while doing justice to its nuances and enormous diversity I commend it warmly Gordon McConville Professor of Old Testament Theology University of Gloucestershire [Introduction to the Hebrew Bible](#) John J. Collins, 2014-08-01 John J Collins Introduction to the Hebrew Bible is one of the most reliable and widely adopted critical textbooks at undergraduate and graduate levels alike and for good reason Enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments Collins proceeds through the canon of the Old Testament and the Apocrypha judiciously presenting the current state of historical archaeological and literary understanding of the biblical text and engaging the student in questions of significance and interpretation for the contemporary world The second edition has been revised where more recent scholarship indicates it and is now presented in a refreshing new format [Basic Books on Sheffield History](#) Sheffield City Libraries. Department of

Local History and Archives,1958      *A Quick Introduction to the Old Testament* Tremper Longman III,Raymond B. Dillard,2012-04-10 Derived from Tremper Longman III and Raymond B Dillard s widely adopted textbook *An Introduction to the Old Testament* this digital short surveys key critical and interpretive issues in Old Testament study Attention is given to the most significant historical archaeological literary and theological questions as well as to the perspective the New Testament brings to the Old Students of the Old Testament will find *A Quick Introduction to the Old Testament* to be a handy reference tool      **Introduction to the Historical Books** Steven L. McKenzie,2010 Steven McKenzie here surveys the historical books of the Old Testament Joshua through Ezra Nehemiah for their historical context contents form and themes communicating them clearly and succinctly for an introductory audience By providing a better understanding of biblical history writing in its ancient context McKenzie helps readers come to terms with tensions between the Bible s account and modern historical analyses Rather than denying the results of historical research or dismissing its practitioners as wrongly motivated he suggests that the source of the perceived discrepancy may lie not with the Bible but with the way in which it has been read He also calls into question whether the genre of the Bible s historical books has been properly understood

**An Introduction to the Old Testament** Tremper Longman III,2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of *An Introduction to the Old Testament* integrates recent developments in Old Testament scholarship It has many distinctive features that set it apart from other introductions to the Old Testament It s committed to a theologically evangelical perspective Emphasizes special introduction the study of individual books Interacts in an irenic spirit with the historical critical method Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship Deals with the meaning of each book not in isolation but in a canonical context Probes the meaning of each book in the setting of its culture Including callouts charts and graphs *An Introduction to the Old Testament* is written with an eye to understanding the nature of Old Testament historiography Perfect for seminary students professors and Bible teachers and ministry leaders as well as anyone looking for an in depth and balanced approach to Old Testament study      **Basic Guide to the Old Testament, A** Ska, Jean-Louis,2019 A simple tool for a first reading of the Bible that answers the first questions that are posed by the reader who has little familiarity with the Bible and helps with the critical reading of the Bible i e to maintain the right distance to avoid the problems that arise when the text is taken literally
