Broken Wings A Flight Attendants Journey:

Broken Wings Nattanya Andersen, 1997 After surviving a mid flight engine explosion in 1988 a flight attendant is diagnosed with post traumatic stress disorder but uncovers even more health hazards in the airline industry as she struggles to reclaim her job

Working the Skies Drew Whitelegg, 2007-06-01 Get ready for takeoff The life of the flight attendant aka a stewardess was supposedly once one of glamour exotic travel and sexual freedom as recently depicted in such films as Catch Me If You Can and View From the Top The nostalgia for the beautiful carefree and ever helpful stewardess perhaps reveals a yearning for simpler times but nonetheless does not square with the difficult demanding and sometimes dangerous job of today's flight attendants Based on interviews with over sixty flight attendants both female and male labor leaders and drawing upon his observations while flying across the country and overseas Drew Whitelegg reveals a much more complicated profession one that in many ways is the quintessential job of the modern age where life moves at record speeds and all that is solid seems up in the air Containing lively portraits of flight attendants both current and retired this book is the first to show the intimate illuminating funny and sometimes dangerous behind the scenes stories of daily life for the flight attendant Going behind the curtain Whitelegg ventures into first class coach the cabin and life on call for these men and women who spend week in and week out in foreign cities sleeping in hotel rooms miles from home Working the Skies also elucidates the contemporary work and labor issues that confront the modern worker the demands of full time work and parenthood the downsizing of corporate America and the resulting labor lockouts decreasing wages and hours worked job insecurity and the emotional toll of a high stress job Given the events of 9 11 flight attendants now have an especially poignant set of stressful concerns to manage both for their own safety as well as for those they serve the passengers Flight attendants originally registered nurses charged with attending to passengers medical needs now find themselves wearing the hats of therapist security guard and undercover agent This last set of tasks pushing some as Whitelegg shows out of the business altogether

Bishop, 2004-08-12 You can't go home again because home is a time not a place Thomas Wolfe In turning Butch's pages you join ten year old Billy Johnson at his home on one of the worst days of his life In Barstools seventy five year old Eric is losing his home You will meet an expatriate executive and his wife in The Ecluse away from home searching for the rebirth of their troubled marriage Instead cruising along the ancient canals of France he experiences an epiphany The protagonist in The Math Prize Winner is a modern flawed executive attempting a final investment and atonement to save his career The families in The Bad News First face a loss which reawakens the antagonisms and betrayals they encountered thirty years previously Broken Wings provides a wide variety of characters plots and dissimilar locations farms in Grand Forks Nebraska a restaurant in Florida and a funeral in Boston Massachusetts There are featured locales starting Paris Seoul and Hong Kong The concluding home destination is a 1940's period piece in Huntsville Alabama This mini memoir is a loving portrayal of John Bishop's remembrances of his family growing up southern
