Brother Against Brother:

Brother Against Brother Time-Life Books, 1984-04-01 Brother Against Brother Ehud Sprinzak, 1999 In this groundbreaking and controversial study of the rising tide of militancy in Israel Ehud Sprinzak lays bare the historical roots of violence in Israeli domestic politics examining the effects such militancy has had on the nation's civic culture He traces the origins of the extremist thread to the era of the founding of the Jewish state and shows how it has grown increasingly malignant in the past decade culminating in the 1995 assassination of Prime Minister Yitzhak Rabin BROTHER AGAINST BROTHER takes the reader through the critical turning points in Israeli political history and introduces us to the leaders whose careers were baptized by blood Through his exploration of the disputes between David Ben Gurion's Labour Movement and Menachem Begin's Irgun movement Sprinzak argues that their legacy of conflict provided the inspiration for such agitators as Meir Kahane and the Orthodox radicals behind the Hebron massacre of 1994 and Rabin's assassination Despite Sprinzak's disturbing accounts of violence he remains optimistic that when peace between Israelis and Arabs is reached and the great debate about borders of the nation is finally laid to rest Israeli political violence will decline dramatically BROTHER AGAINST BROTHER provides an incisive and extensively researched historical perspective on Israeli politics and opens a new chapter in our understanding of one of the world's most fascinating nations *Forward to Richmond* William C. chaotic ambush at Béal na mBláth that led to the shooting of Michael Collins. Seán Hales was himself assassinated in Dublin by Republicans following a vote in Dáil Éireann to allow the Provisional Government to increase its powers to penalise Republican prisoners. The story of these brothers and the rest of the family gives a unique insight into life in Ireland in this tumultuous period.

Son of Six Brothers Gert Wolfsohn, 2017-01-30 Gert Wolfsohn born in Windhoek now Namibia in 1924 was the only child of wonderful parents who I know did not have a happy marriage but stuck it out as best they could though the ups and downs of life to give me their son the very best start in my life that they could. As I grew older I felt very deeply about that and my own aim in life was to be lucky enough to find a wife that I could love, respect and lean on at all times and who would love me. Although I got to know my Little girl when she was 6 years of age there was friendship but nothing more. I well remember her pushing her little blue dolls pram around her garden while we boys climbed the bordering trees ignoring her pleas to join us. Young boys just had to show off even at 9 years of age. You will read about what happened in my later life in this my book of my life's memories. I am very very proud of my own family whose love and togetherness has held us together so wonderfully well over so many years. I was fortunate to achieve the love in marriage that my parents did not have. My deep respect and thanks to my air force buddies who gave us all the courage to stick together through both the horrors and the few good times of WW2. WE carried each other always with a deep companionship using the skills that our instructors had drilled into each of us.

WHY CAN WE NOT DO IT IN TIMES OF SO CALLED PEACE *Brothers & Sisters: Myth and Reality* Henry Abramovitch, 2025-10-07 How would depth psychology have evolved if Freud and Jung had used the Bible for inspiration instead of Greek Mythology? These founders, both privileged firstborns, would have immediately discovered the central role sisters and brothers play in our social life, in our psyche and in our clinical work. Drawing on the original Hebrew text of Genesis, beginning with the primal story of Cain and Abel, this unusual book explores the tension within the brother-sister archetype between cooperation and competition and between the myth and the reality of being brothers having sisters as well as the repeating motif of the missing brother or absent sister. Exploring all 33 brother-sister stories in Scripture, author Henry Abramovitch examines the developmental sequence within brotherhood/sisterhood as we struggle to find a place for each other. His knowledge of Indian epics, linguistics, anthropology and years of clinical experience deepen the work and so highlights the crucial role sibling dynamics plays in the formation of our identity in the transference and especially in the process of individuation. Abramovitch develops a new vocabulary to examine the depth psychology of siblings such as shadow sibling, sibling stranger, Abel and Cain complex, polarized identity and other innovative concepts. The book concludes with a very personal account of his own relationship with his brother and sister. This masterwork allows us to return to our roots and rediscover the significance of brothers and sisters in depth.

Democracy in America: Is it in Peril? Plammoottil V. Cherian, 2023-02-23 Democracy in the world is backsliding in many countries around the globe at the present time due to various reasons. Different nations may have their own particular reasons such as socioeconomic inequality, poverty, failure of

checks and balances that may result in an abrupt military coup d'etat to change from democracy to tyranny In nations where democracy failed there were no tanks on the street Constitution of the land remained but elected leaders became autocrats maintaining a veneer of democracy America being a nation with nearly 80 percent of Christians has been the strongest democracy in the world who championed it as the model for the rest of the world However democracy in America appears to be in peril because of political bickering partisan gridlock and promulgation of falsities misinformation and faux faith by one political party By introducing the foundational principles of democracy from the philosophical arguments of Socrates Plato and Aristotle the author shows how and why the cornerstone of democracy in America shows signs of crumbling The book vividly explains Politics without God will shatter the foundation of democracy Present political system rejects the checks and balances laid by the founding fathers The right wing has cultivated a spirit of untruth that spreads like a wildfire Rejecting truth by political parties and leadership is a sign of strong delusion There is a clear moral bankruptcy in the present political sphere of our nation The brightness of democracy in America which Tocqueville praised has been tarnished Hypocritical and dishonest leaders should not reign lest the people be ensnared American politicians must register their solemn oath in heaven to act in truth No nation can be established in one day but can shatter in one day by a despot America must realign with God to lead the nation in truth justice and freedom for all Democracy turns to tyranny when a moral man becomes amoral With biblical prophecies and instructions the author shows that America faces a real threat to its democracy unless it resists tyrants with all their mind soul and strength which is obedience to God who can anchor the nation on its solid foundation set by the Founding Fathers Every citizen political and judicial leaders of the nation are the cupbearers and the watchmen of the nation Hollywood be Thy Name Cass Warner Sperling, Cork Millner, Jack Warner, 1998-01-01 This text charts the real story of the Warner brothers and contains all the drama of a big screen production The book tells of tension and strife among four brothers love and marriage death and divorce and plotting and betrayal *The Railroad Trainman*, 1911
