Browning Routledge Author Guides:

Robert Browning: The Poems John Blades, 2017-10-25 This stimulating study takes a fresh look at Browning's poetry and at some of the key themes that run through his work Part I uses carefully selected extracts for close textual analysis while Part II examines Browning's life contexts and a sample of criticism Using some of Browning's most widely studied poems this book will develop students' close reading technique and help them to articulate their own responses to poetry The volume is an ideal introductory guide for A Level and undergraduate English Literature students or anyone studying Browning's poems for the first time

Constellation Caliban , 2023-12-11 We are now in the Age of Caliban rather than in the Time of Ariel or the Era of Prospero Harold Bloom claimed in 1992 Bloom was specifically referring to Caliban's rising popularity as the prototype of the colonised or repressed subject especially since the 1980s However already earlier the figure of Caliban had inspired artists from the most divergent backgrounds Robert Browning Ernest Renan Aimé Césaire and Peter Greenaway to name only some of the better known Much has already been published on Caliban and there exist a number of excellent surveys of this character's appearance in literature and the other arts The present collection does not aim to trace Caliban over the ages Rather Constellation Caliban intends to look at a number of specific refigurations of Caliban What is the Caliban figure's role and function within a specific work of art What is its relation to the other signifiers in that work of art What interests are invested in the Caliban figure what values does it represent or advocate Whose interests and values are these These and similar questions guided the contributors to the present volume In other words what one finds here is not a study of origins not a genealogy not a reception study but rather a fascinating series of case studies informed by current theoretical debate in areas such as women's studies sociology of literature and of the intellectuals nation formation new historicism etc Its interdisciplinary approach and its attention to matters of multi-culturalism make Constellation Caliban into an unusually wide ranging and highly original contribution to Shakespeare studies The book should appeal to students of English Literature Modern European Literature Comparative Literature Drama or Theatre Studies and Cultural Studies as well as to anyone interested in looking at literature within a broad social and historical context while still appreciating detailed textual analyses

Studies in Literature in English Mohit Kumar Ray, The Present Thirteenth Volume Of Studies In Literature In English Contains Seventeen Well Researched Essays Covering A Wide Range Of Authors And Subjects Across Space And Time Starting With The Good Old Shakespeare The Essays Cover A Number Of British Canonical Authors Including Coleridge Shelley And Golding Across The Atlantic Eminent American Authors Like Henry James Arthur Miller And Saul Bellow Are Given Fresh Look Rohinton Mistry From Canada Hermann Hesse A German Nobel Laureate And Bertolt Brecht Of Epic Theatre Fame From Germany V S Naipaul The Nobel Laureate Originally From India And Pirandello The Italian Nobel Laureate Are All Treated With Fine Critical Insight It Is Hoped That Students Scholars And General Readers Of English Literature Will Find This Anthology Both Useful And Enjoyable Even More Than The Earlier Volumes Of Studies In

Literature In English **The Publishers' Trade List Annual** ,1973 **Society Notes** Browning Society (London, England),1970 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1974 **The Complete Critical Guide to Samuel Beckett** David Pattie,2000 Samuel Beckett's work forever changed the concepts of literature and theatre His work remains a core part of introductory courses on literary history drama theatre or performance and also features in more specialist modules such as Modernism or The Absurd Samuel Beckett is a comprehensive introduction to his life and work as well as an outline of the critical issues surrounding his work This guidebook leaves judgements up to the student by explaining the full range of often very different critical views and interpretations and offers guides to further reading in each area discussed **The British Library General Catalogue of Printed Books to 1975** British Library,Jim Emmett,1979 *The American Booksellers Guide* ,1869 *Chicorel Index to Poetry and Poets--literature* Marietta Chicorel,1975
