Bud Barkin Private Eye:

Bud Barkin, Private Eye James Howe, 2013-01-15 Dear Reader The guy who usually writes these letters asked me to do it instead Maybe he was having a bad writing day Maybe he wanted me to play the sap for him Or maybe he ran into Trouble with a capital T Well Trouble s in my business I m a dog I m a detective The name s Bud Barkin And this book is about the case I had involving a dame named Delilah Gorbish whom I would call Trouble with a capital T except I ve used that metaphor already and the clown named Crusty Carmady whose calling card is a teakettle that he heaves through windows Nice pair of birds The mystery deepens with another character called the Big Fish who isn t really a fish and who s addicted to the Home Shopping Network Hey I don t write em I just solve em Yours truly Bud Barkin P E Bunnacula Deborah Howe, James Howe, 2011-12-20 This book is written by Harold His fulltime occupation is dog He lives with Mr and Mrs Monroe and their sons Toby and Pete Also sharing the home are a cat named Chester and a rabbit named Bunnacula It is because of Bunnacula that Harold turned to writing Someone had to tell the full story of what happened in the Monroe household after the rabbit arrived Was Bunnacula really a vampire Only Bunnacula knows for sure But the story of Chester s suspicions and their consequences makes uproarious reading Since its first appearance in 1979 Bunnacula has been a hit with kids and their parents everywhere selling over 8 million copies and winning numerous awards **Scared Silly** James Howe, 2006-08 Harold Chester and Howie have a harrowing Halloween night worrying about Bunnacula as well as about a witch who comes into the house Bunnacula Strikes Again! James Howe, 2011-12-20 Let s just say the matter is under control Chester slyly tells his pals Harold and Howie But what on earth does he mean It seems that Bunnacula the vampire rabbit is back to his old ways or so Chester thinks having found pale vegetables drained of their juices scattered about the Monroe family kitchen And now once and for all Chester is determined to save the world from this threat But why has Bunnacula so frisky just a short time ago been so listless and tired of late Is this part of Chester s scheme Can Harold let Chester get away with hurting an innocent bunny no matter what his harebrained suspicions are It is not long before the Monroes notice Bunnacula s condition and rush him to the vet and then the chase is on ending up with a dramatic confrontation in a most unusual and dangerous location **Invasion of the Mind Swappers from Asteroid 6!** James Howe, 2013-01-15 Dear possible reader of this book After I wrote my first book It Came from Beneath the Bed my editor asked me to write another one Another one This is hard work I d like to see him write another one So anyway in this book the lovable and smart not to mention talented wirehaired dachshund puppy named Howie and his friend the beautiful and brilliant Delilah face their biggest challenge yet the Mind Swappers from Asteroid 6 Along the way Delilah gets turned into a squirrel and has to beg for acorns Hey don t ask me Read the book Your friend Howie *Nighty-Nightmare* James Howe, 2012-01-24 An overnight camping trip Not Harold s idea of fun Too many mosquitoes ticks and cockleburrs But when the Monroe family set out their faithful dog Harold was with them mostly because he remembered that camping could also

bring s'mores and toasted marshmallows. Howie the other family dog and Chester the cat were also included in the trip. Only Chester thought the idea was completely insane. The woods he informed Harold were not only full of cockleburs and ticks but of spirits, evil spirits who prey on the innocent. And on this the worst night of the year, St. George's Eve, when all spirits are set loose, who knew what could happen. What Harold knew was that Chester was a well-read, over-stimulated cat full of weird ideas. He did not take Chester's worries too seriously. He had s'mores to think about. But then the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right? This begins a long night full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger, and at the end, came surprises that even Chester could not have predicted. Once again, the Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever the result is, suspenseful and very, very funny.

Addie on the Inside James Howe, 2012-07-24 In this artfully crafted Publishers Weekly companion to the bestselling *The Misfits* and *Totally Joe*, Addie Carle confronts labels, loss, and what it means to grow up. The Gang of Five is back in this third story from Paintbrush Falls. Addie Carle, the only girl in the group of friends, is outspoken, opinionated, and sometimes just a bit obnoxious. But as seventh grade progresses, Addie's not so sure anymore about who she is. It seems her tough exterior is just a little too tough, and that doesn't help her deal with the turmoil she feels on the inside as she faces the pains of growing up. Told in elegant, accessible verse, *ADDIE ON THE INSIDE* gives readers a look at a strong, smart, and sensitive girl struggling with the box society wants to put her in. Addie confronts experiences many readers will relate to: the loss of a beloved pet, first heartbreak, teasing, but also friendship, love, and a growing confidence in one's self. You Are Who They Say You Are: They say in the seventh grade you are who they say you are, but how can that be true? How can I be a Godzilla girl, lezzie, loser, know-it-all, big-mouth, beanpole, string-bean, freaky-tall, fall-down-spaz, attack-brainiac, maniac, hopeless-nerd, bad-word-brown-nosing teacher's pet, showing off just to get attention, oh, and did I mention flat-chested? How can I be all that? It's too many things to be. How can I be all that and still be true to the real me while everyone is saying, "This is who you are." *The Fright Before Christmas* James Howe, 2007-10-02 Howie the dog is afraid of Santa Claus and believes ghosts are haunting Christmas.

The Case of the Bank-Robbing Bandit George E. Stanley, 2004-07 Ted and Noelle's only clue to catch a bank robber is a sweaty handkerchief. They also have to prove their abilities to the new police chief.

The Mystery of the Stolen Statue George E. Stanley, 2004-11 The Third Grade Detectives investigate when a fifteenth-century statue is stolen from an art museum and destroyed.
