The Buddha Donald S. Lopez, 2025-09-02 From one of the world's leading Buddhist scholars a deeply researched and unprecedented portrait of the Buddha Like Jesus and Muhammad the Buddha is one of the most significant figures in history But is he a historical figure In this revelatory book Donald S Lopez Jr explores this question and considers what is at stake in the answer Using stories of the Buddha's life drawn from the earliest biographies the work of other scholars and his own research Lopez traces a single narrative from the Buddha's birth to his enlightenment to his passage into nirvana Unlike those who transformed the Buddha into a rationalist philosopher Lopez seeks to remythologize the Buddha restoring the rainbow that encircled the Buddha for centuries radiating his teachings around the world Complementing traditional Buddhist sources with insights from Gustave Flaubert Oscar Wilde George Eliot and others Lopez produces a rich accessible and unprecedented portrait of one of the world's most important religious figures

The Life and Times of Buddha Mona Gedney, 2005-09 Siddhartha Gautama lived 2 500 years ago but the effects of his life are still shaping the world today The son of a king he left a world of wealth and privilege to seek a better life and he found it in the Four Noble Truths and the Eightfold Path After he had found

what he was seeking he did not retire to a quiet place where he could spend all his time in meditation. Instead he devoted himself to sharing what he had discovered with others. His followers grew over the years and during the centuries that have followed his death his teachings have spread around the globe. Today Siddhartha Gautama is known by countless millions as the Buddha. His wisdom and compassion are legendary and many have followed the path that he identified hoping to reach enlightenment as he did. *Buddhism* Leslie Alldritt, Leslie D. Alldritt, 2009 Provides a history of the religion offering information on Buddhist foundations, scriptures, worldview, worship, holidays and some of its most famous practitioners.

Life Profile & Biography of Buddha Shiv Kumar Sharma, 2002 *Meditator's Life of the Buddha* Analayo, 2017-12-15 Analayo offers an inspiring biography of the Buddha focusing on his meditative development and practice including extracts from the early discourses with commentary by the author. He conveys not only a focus on the Buddha as a meditator but also that the book's readers are meditators; that this is a life of the Buddha providing inspiration and guidance for meditators. Each of the twenty-four chapters concludes with suggestions for meditative practice or conduct. **The Buddha** Vanessa R. Sasson, Kristin Scheible, 2023 Retellings of the Buddha's life story have animated and sustained Buddhist thought and practice through some 2,500 years of history. To this day Buddhist holidays and rituals are pinned to the arc of his biography: celebrating his birth, awakening, teaching, and final nirvana. His story is the model that exemplary Buddhists follow. Often there is a moment of insight akin to the Buddha's experience with the Four Sights, followed by a great departure from home and a period of searching that it is hoped will lead to final awakening. The Buddha's story is not just the Buddha's story; it is the story of Buddhism. In this book, twelve leading scholars of South Asian texts and traditions articulate the Buddha's life blueprint, the underlying and foundational pattern that holds the life story of a Buddha together. They retell the episodes of Buddha Gautama's extended life story while keeping in mind the cosmic paradigmatic arc of his narrative. The contributors have dedicated their careers to exploring hagiographical materials, each applying their own methodological and theoretical interests to shed new light on the enduring story of Buddhism. Using multiple perspectives, voices, and sources, this volume underscores the multivalent centrality of this story. The book will be an invaluable resource to practicing Buddhists and students of Buddhist Studies to help them engage in the most foundational story of the tradition. **Biography of Gautam Buddha** Arun K.
