Broken Horses Brandi Carlile, 2022-04-12 1 NEW YORK TIMES BESTSELLER The critically acclaimed singer songwriter producer and six time Grammy winner opens up about faith sexuality parenthood and a life shaped by music in one of the great memoirs of our time Glennon Doyle author of *Untamed* If anyone ever has a doubt in their mind that the wildest of dreams can be realized from complicated circumstances they should read Brandi's story I absolutely loved it Elton John NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE Brandi Carlile was born into a musically gifted impoverished family on the outskirts of Seattle and grew up in a constant state of change moving from house to house trailer to trailer fourteen times in as many years Though imperfect in every way her dysfunctional childhood was as beautiful as it was strange and as nurturing as it was difficult At the age of five Brandi contracted bacterial meningitis which almost took her life leaving an indelible mark on her formative years and altering her journey into young adulthood As an openly gay teenager Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony Shockingly her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it through twisted joyful weird and wonderful music In *Broken Horses* Brandi Carlile takes readers through the events of her life that shaped her very raw art from her start at a local singing competition where she performed Elton John's *Honky Cat* in a bedazzled white polyester suit to her first break opening for Dave Matthews Band to many sleepless tours over fifteen years and six studio albums all while raising two children with her wife Catherine Shepherd This hard won success led her to collaborations with personal heroes like Elton John Dolly Parton Mavis Staples Pearl Jam Tanya Tucker and Joni Mitchell as well as her peers in the supergroup The Highwomen and ultimately to the Grammy stage where she converted millions of viewers into instant fans Evocative and piercingly honest *Broken Horses* is at once an examination of faith through the eyes of a person rejected by the church's basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind a brilliant artist and a genuine empath on a mission to give back

Broken Horse and Horse Blues Bonnie Bryant, 2003 IF SOMETHING'S NOT DONE THIS HORSE WILL DIE A sick abused horse has been rescued and brought to Pine Hollow Stables The local veterinarian is doing everything she can to save its life but the horse has more than a broken body Its spirit is broken too The girls in The Saddle Club know that it needs more than medicine food and a comfortable stall It needs a reason to live Lisa remembers the heartbreaking story of Sal another abused horse that eventually died She swears things

will be different this time But what will save this horse from a sad lonely end RESOLUTIONS ARE HARD TO KEEP The girls in The Saddle Club are making their New Year s resolutions That s the easy part Keeping them will be another matter Can Stevie really be nice to Veronica diAngelo for a whole month especially when the snobby girl is busy showing off all the expensive loot she got for Christmas Can Lisa learn embroidery to make her mother happy And how can Carole give up junk food when her dad is always making delicious buttery popcorn to eat during the old movies he loves to watch To keep themselves on the right track the girls have made a bet The first one to waver from her resolution must pay a price and it won t be pleasant

Chosen by a Horse Susan Richards,2009-06-01 When she agrees to take on one of the abused horses just rescued by the local SPCA a new chapter opens in Susan Richards s difficult life She lost her mother at the age of five and was raised by uncaring relatives she married unhappily and divorced and she d been an alcoholic Now at the age of forty three she lives with three horses who keep her company the diva like Georgia boyish Tempo and hopelessly romantic Hotshot While trying to capture another horse assigned to her Lay Me Down a skeletal mare walks into Susan s horse trailer of her own volition When Susan agrees to take her she begins to forge a special healing relationship that alters her life Poignant and evocative this is a book for anyone who has ever loved a horse and for everyone who has ever lost a loved one *The Broken Horse* ,2006
