Broken Toy:

Broken Toy Craig L. Andrews, 2002-10-31 Was there a toy mouse before Walt Disney's Mickey? If there was, what happened to it? During the 1920s, two men, one from the world of toys and one from the burgeoning world of moving pictures, produced very unique toy characters. The history of these two visionaries and how their characters occurred at nearly the same time provides a unique mystery about which speculation lives vibrantly to this day. In tracing the struggle of the toy company's steadfast president, Torrence Dietz, this absorbing book covers the history of the toy company, its wondrous toys, and why people think of Walt Disney when they see the toy company's enigmatic wooden mouse named MICKY. Since the question of whether these men crossed paths in the marketplace is a key element to the mystery, the author has tried to objectively address the questions of how, when, and why an encounter should have ever happened. The development of Torrence's career and the growth of the toy company are reconstructed and intertwined with world events. In the quest to explain the toy company mystery, the author has brought together documents and history never before assembled in one place. The in-depth documentation of the wooden toys manufactured by the Performo Toy Company makes this book a valued reference for collectors and, from a historical sense, a valued resource. The book presents numerous toy pictures, toys now considered collectibles, as well as patent and trademarks related to cartoon and toy characters of the late 1920s and early 1930s. The reader interested in the history of Walt Disney and, in particular, the formative period of Mickey Mouse will find rare background information.

Once Upon a Toy Kathy Merlock Jackson, Mark I. West, 2025-06-20 In the magical realm of children's play, toys and stories have a rich and complex relationship. In this collection, contributors analyze the many types of interplay between children's toys and narrative. Many of these essays explore how this relationship is portrayed in novels, films, and television programs. Others discuss how this relationship is shaped by broader historical and cultural narratives. Still other essays discuss how children create their own stories while playing with toys. Taken together, the essays speak to the myriad ways that toys are represented in popular narratives and provide insights into the meanings that toys hold for children, adults, and society.

The Way of Light Frederick Mundle, 2021-05-19 THE WAY OF LIGHT The Way of Light focuses on the true Light, John 1:9 of the world, John 9:5, who came to enlighten every man to take him/her out of darkness, John 8:12. Any who do come to believe in the Light, Jesus, become sons and daughters of the Light, in fact, children of the Light, 1 Thessalonians 5:5. They will become Light bearers and shine as light in the world, Philippians 2:15. On numerous occasions within the context of these essays, the reader will encounter absolute truths regarding His being the Light. Readers will encounter various Scriptures which will testify to the claims Jesus made regarding His being the Saviour of the world. Most essays contain a minimum of 400 words, although some will be longer in length. Each essay will point the way to the Light, Jesus, in countless examples throughout the course of the book. For those who already follow the way of the Light, Jesus, they will discover examples as to how to share the Light, Jesus, with friends, family, relatives, and associates. The Scripture states

that none can come to Jesus unless the Father draws him her John 6 44 and that to be drawn into believing faith comes by the word of God Romans 10 17 Many events point to a soon return of Jesus Christ who is the way the truth and the life John 14 6 THE WAY OF LIGHT in each of its individual compositions will point the reader to the true Way of Light **The L2**
