Brownings Lyricism:

The Shelleys and the Brownings Rieko Suzuki, 2022-01-13 This book is about the intertextual relationships between the works of the Shelleys and the Brownings While a lot of research has been done on the relationship between Percy Bysshe Shelley and Robert Browning virtually nothing has been said about the links between Mary Shelley and Robert Browning and very little on the connections between the Shelleys and Elizabeth Barrett Browning Rieko Suzuki seeks to address this blind spot by focusing on three areas in particular firstly the way that Browning's later poems reflect back on and re engage with Shelley's work secondly Mary Shelley's influence on Browning's early poems and thirdly Shelley's presence in and influence on Elizabeth Barrett Browning's writing In mapping out the various ways in which texts relate to other texts the book also identifies a number of important thematic threads that run throughout the work of all four writers These include theories of history and historical consciousness providing a further dimension to the question of influence They also include ideas about exile gender liberal politics and cultural heritage central to almost all the texts discussed here as the Shelleys and the Brownings in different ways and in varying contexts tried to negotiate the possibility of a more tolerant and resilient social political and cultural environment Florence in the Poetry of the Brownings Robert Browning, Elizabeth Barrett Browning, 1904
