5 Card Majors:

Five Card Majors Neil Rosen, 2019-08-29 Have you noticed how many top pairs are playing 5 card majors and 2 over 1 This book explains how the system works and why it is so much better than traditional bidding methods Experienced teacher and top player Neil Rosen guides you step by step through learning the system At each stage the process is reinforced by carefully designed tips quizzes and clear explanations The book is packed with good ideas for improving the accuracy of your bidding carefully describing the essentials while also introducing optional extras you may care to adopt to further refine your bidding Guide to Standard American Bidding Robert Kussman, 1985 **Bridge and Beyond** Andrew Mill, Jim Borin, 1999

The Precision Diamond Bridge Bidding System Ken Casey, 2019-06-19 The Precision Diamond system provides a solution to the flaws in the Standard American bidding convention SAYC There are 6 notable features of my bidding system The 1st feature is the ability of the responder to show his 5 card major suit immediately using the Casey Jacoby Transfer The 2nd feature is that Precision Diamond permits the opener to show his points within a 2p range from 16 21 points using the Casey Shift and the Strong 2 opening The 3rd feature is the ability of the overcaller to show his 4 card major suit immediately by assigning 1NT to show 4s The 4th feature of Precision Diamond is the ability of the Keycard Asker in a slam contract to ascertain whether the opener has the trump queen using the Casey RKC method The 5th feature is the ability of the opener to show keycards including the trump queen at the 4 level in the case of a minor suit slam attempt using Minorwood The 6th feature is the ability of the opener to find a slam with a minor suit fit using the Casey Minor Rebid convention The Flaws in Standard American Bridge Ken Casey, 2018-04-13 This book is designed to highlight the flaws in Standard American bidding i e the SAYC system The book discusses the major failures of SAYC namely the failure of the ACBL to adopt the Bergen point count system the failure to simplify reverses the failure to find a 20 21p bid for all hands and the failure to adopt the Casey Jacoby Transfer convention and the Casey Rebid convention In addition the book points out numerous minor failures such as the failure to find a means of bidding a direct game the failure of SAYC to require takeout doubles to have a four card major and the failure to adopt Minorwood a six keycard kickback convention The book also points out the ACBL s failure to clarify certain issues such as the failure to clarify O s reply to R s two level response the failure to clarify cuebids and the failure to clarify Stopper Ask bids The book provides a solution for all these problems in a new system called Precision Diamond **The California Club** Vic Sartor, 2018-07-24 Bridge is a complex card game that consistently tests the creativity and brain power of its players One of the most important aspects of the game is bidding the way players convey information about their hands to their partners They use this information to try to reach the optimum contract on any particular hand Vic Sartor is a retired teacher and seasoned bridge player who has developed a bidding system he calls The California Club over a 50 year playing career Some of the ideas presented here are completely original while others are what the author believes are improvements to commonly used treatments He presents his suggestions with a touch of humor freely

acknowledging that many of them may be considered a bit unorthodox for widespread public adoption For instance it is not clear how many players will rush to start using the Rube Goldberg No Trump or the One Diamond with Muscles two of his more colorful inventions Nevertheless players who may be thinking about trying a strong club system or who already play one may find many useful ideas here whether or not they decide to give the entire system a try

The Casey Bridge Bidding System Ken Casey,2020-01-22 This book incorporates the 2 1 Game Force bidding system whenever the opener bids a major suit This book is designed to improve your bidding of minor suit openings in 3 steps The 1st step involves bids to hamper the opponents from finding their 4 4 spade fit This involves the use of the Casey overcall and the Weak 1NT opening It also involves the use of the Casey Jacoby transfer to find a 5 card major in responder s hand and the use of inverted minors The 2nd step involves adoption of the strong 2 bid a bid of 20 21p This allows the opener to use the Casey Reverse to show a hand of 16 17p by bidding at the 2 level and to show a hand of 18 19p by bidding at the 3 level The Casey Minor Rebid convention allows the opening to show a 4 card suit at the 2 or 3 level The third step involves optimizing your slam bidding with the Casey Trump Queen convention It also involves the use of the Redwood Kickback convention for minor suit contracts and the use of the Fourth Suit Forcing convention to ascertain whether opener has 5 cards in his 2nd bid minor suit

5-card Majors Ron Klinger,1992

Bridge Bidding Nicolae Sfetcu,2014-05-13 This e book present some of the most important bridge bidding systems used used in duplicate bridge tournaments detailing the most known bridge bidding system Standard American Yellow Card by using a logical sequential order for openings answers competitive bids and defensive play in order to help the players during the games Much of the complexity in bridge arises from the difficulty of arriving at a good final contract in the auction A bidding system in contract bridge is the set of agreements and understandings assigned to calls and sequences of calls used by a partnership and includes a full description of the meaning of each treatment and convention Standard American Yellow Card is a specific set of partnership agreements and conventions using Standard American as a base Standard American Yellow Card is a very specific collection of agreements which can of course be modified and augmented by partnership agreement In practical use the term is often mis used to refer to Standard American in general or it could refer to a system that used SAYC as a base and made additional augmentations or changes to the base agreements

The Intermediate American Bidding System Chris Hasney,Jerry Pottier,2006-07-12 Overview of the American Bridge Series The American Bridge Series is designed as a sequential set of bidding courses suitable for self study or classroom style study under the guidance of a professional bridge teacher Volumes I through III include declarer play and defense skills as they relate to the bidding skills taught in each text Volume IV is reserved for true experts thus declarer play and defense lessons would be an insult and are not included The entire series takes about five years of study and practice to complete Volume I The Basic American Bidding System was written for beginners and for social players who need to brush up on basic bidding skills prior to tackling modern bidding methods It

features 5 card major suit opening bids strong twos and some basics of Forcing and Non Forcing Stayman Blackwood Gerber and few other things designed to form the framework for further study Volume II The Intermediate American Bidding System makes the transition to modern methods including weak two openings It teaches all of the pieces of Standard American in a way that integrates all of the varied forms of same Don't be thrown by the term intermediate Many duplicate players think that they have reached that level when they can no longer play in novice games Not so Intermediate as defined by the authors can vary from folks with zero ACBL masterpoints to 2500 masterpoints It's not the points that count it's the skill level Volume III The Advanced American Bidding System presumes a complete understanding and skill with all of the material in Volume II However some of the Volume II material is repeated for intended redundancy since the authors suspect that many folks who shouldn't be attempting to study Volume III will do so anyway After all I'm a Life Master I must be Advanced The authors suggest that anyone not comfortable playing in Flight A at an ACBL regional or national tournament or the World Bridge Federation WBF or other governing body equivalent thereof avoid purchase and study of Volume III until they have mastered all that is taught in Volume II Volume IV The Expert American Bidding System NOT YET RELEASED presumes two years experience with the bidding techniques taught in Volume III and expert declarer play and defense skills This is not a Mom and Pop book It is for those who wish to successfully compete in such ACBL events as Flight A Grand National Teams the Blue Ribbon Pairs the Life Master Pairs the Spingold Vanderbilt and Reisinger teams etc and International events like the Bermuda Bowl and Venice Cup The London Times Pairs the McCallan etc It features 4 card majors the TEAS responses to no trump openings weak no trumps and a variety of other bidding methods which will get bidders to the optimum place but will require expert declarer play or defensive skills to maximize results All four books emphasize sound disciplined bidding and an underlying philosophy of You bid your cards I'll bid mine we'll get to the right spot By the time students complete study and practice of Volume III they should be able to know what cards partner holds almost to the spot at the conclusion of an auction In fact Jerry and one of his partners were once accused of cheating when they got cocky and did this after an auction The comment was How can you know what cards your partner holds Jerry's answer Isn't that the whole point of the bidding
