

GEAR UP **FOR** SAFETY

Unprotected Head

Florida law requires motorcycle riders and passengers under age 21 to wear a helmet. Riders under age 16 must wear helmets on scooters and mopeds less than 50cc.

Headphones

It is illegal to wear headphones, headsets, or earphones in both ears while riding.

Unprotected Eyes

Riding a motorcycle without eye protection is against the law.

Bare Hands, Arms, and Legs

Expose you to debris, sunburn, and wind. Even regular jeans and clothes won't protect you from cuts or "road rash" in a crash.

Dark Clothing

Makes you invisible to motorists and increases your chances of being hit by other vehicles.

Broken Headlights

Daytime running lights are required on motorcycles and will turn on automatically when the motorcycle is running. A broken headlight reduces your visibility and increases your crash risk.

Open-Toed-Shoes

Flip-flops, slides, and sandals expose feet to injuries from debris and burns from the engine/exhaust.

Helmet

A securely fastened USDOT-compliant helmet safeguards against severe brain injuries in a crash. It is the most essential gear for motorcycle, scooter, and moped riders.

Headsets

Legal when installed in helmets where speaker do not come into direct contact with ears or hearing aids.

Eye Protection

Required by law. Shatter-proof eye protection such as face shields or goggles can prevent eye injuries.

Protective Gear

Clothing designed for motorcyclists can keep you safe from injury and shield you from the sun, wind, and rain.

Extra Headlights

Additional lights or "ancillary" lights increase a motorcyclist's visibility to other motorists. By alerting others to your presence on the road, you reduce your chance of being involved in a crash.

Bright/Reflective Clothing

Motorcyclists who are visible are less likely to have their right-of-way violated.

Boots

Protect against foot and ankle injuries and provide grip for footrests and road surfaces.

> Wearing a helmet reduces the risk of head injury by 69%.
Ride smart, and always wear your safety gear!

Endorsement = Training

Riders are required by law to have a "motorcycle only" or "motorcycle also" license. All endorsed riders improve their safety by taking a required Basic Rider Course. If you are caught riding unendorsed, you will be arrested, and your motorcycle will be impounded.
