Nancy E. Marion, Willard Oliver

85 Days The Last Campaign Of Robert Kennedy:

85 days Jules Witcover,2016-03-22 The definitive account Washington Post of Robert F Kennedy s seminal presidential campaign 85 Days is veteran Washington journalist Jules Witcover s masterpiece of political reportage It brilliantly captures a lost moment in time when the politics of conviction seemed to converge with America s youth movement in opposition to the Vietnam War At its center was the charismatic Robert F Kennedy brother of the slain President John F Kennedy Robert Kennedy s impassioned opposition to the Vietnam War and his vision for a more egalitarian United States launched him on one of the most memorable though brief campaigns in U S political history Witcover s driving narrative follows Kennedy s campaign throughout the primary season as Kennedy mulled a run developed his core issues and supporter base and shot to the top of the polls culminating in a victory in California just two days before he was tragically killed A timeless work of political journalism 85 Days captures the character and spirit of a man who came to symbolize an unforgettable era in America

Justice Rising Patricia Sullivan,2021-06-08 A leading civil rights historian places Robert Kennedy for the first time at the center of the movement for racial justice of the 1960s and shows how many of today s issues can be traced back to that pivotal time History race and politics converged in the 1960s in ways that indelibly changed America In Justice Rising a landmark reconsideration of Robert Kennedy s life and legacy Patricia Sullivan draws on government files personal papers and oral interviews to reveal how he grasped the moment to emerge as a transformational leader When protests broke out across the South the young attorney general confronted escalating demands for racial justice What began as a political problem soon became a moral one In the face of vehement pushback from Southern Democrats bent on massive resistance he put the weight of the federal government behind school desegregation and voter registration Bobby Kennedy s youthful energy moral vision and capacity to lead created a momentum for change He helped shape the 1964 Civil Rights Act but knew no law would end racism When the Watts uprising brought calls for more aggressive policing he pushed back pointing to the root causes of urban unrest entrenched poverty substandard schools and few job opportunities RFK strongly opposed the military buildup in Vietnam but nothing was more important to him than the revolution within our gates the struggle of the American Negro for full equality and full freedom On the night of Martin Luther King s assassination Kennedy s anguished appeal captured the hopes of a turbulent decade In this difficult time for the United States it is perhaps well to ask what kind of nation we are and what direction we want to move in It is a question that remains urgent and unanswered

Robert Kennedy and His Times Arthur Meier Schlesinger (Jr.),1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life Robert F. Kennedy Ray E. Boomhower,2018-11-01 This account of a dramatic moment and a classic speech is a must read for anyone interested in presidential politics Indiana Magazine of History On April 4 1968 Senator Robert F Kennedy Jr arrived in Indiana to campaign for the state s Democratic presidential primary As Kennedy prepared to fly from an appearance in Muncie to

Indianapolis he learned that civil rights leader Dr Martin Luther King Jr had been shot outside his hotel in Memphis Tennessee Before his plane landed in Indianapolis Kennedy heard the news that King had died Despite warnings from Indianapolis police that they could not guarantee his safety and concerns from his own staff Kennedy decided to proceed with plans to address an outdoor rally to be held in the heart of the city s African American community On that cold and windy evening Kennedy broke the news of King s death in an impassioned extemporaneous speech on the need for compassion in the face of violence It has proven to be one of the great speeches in American political history This book explains what brought the politician to Indiana that day and explores the characters and events of the 1968 Indiana Democratic presidential primary in which Kennedy who had been an underdog would go on to a decisive victory Killing Congress Nancy E. Marion, Willard Oliver, 2014-07-22 Since Congress was established in 1789 seven members have been assassinated and several others have been the victims of attempted assassinations or other acts of violence Additionally eight members of Congress have died while serving in Congress in other ways These incidents have taken place throughout the existence of the United States and have a wide variety of interesting causes In Killing Congress Assassinations Attempted Assassinations and other Violence Enacted on Members of the U S Congress Nancy Marion and Willard Oliver examine the assassinations and attempted assassinations of members of Congress describing the actions that led up to the violence the incidents themselves and the repercussions of the events Marion and Oliver also look closely at other violent attacks against Congressional members including beatings and bio attacks The book not only describes the assassinations but discusses the short and long term impacts of the violence that takes place on Capitol Hill A Disturbance of Fate, the Presidency of Robert F. Kennedy Mitchell J. Freedman, 2012-01-04 A daring and compulsively page turning historical what if fiction A remarkably realistic alternative world story Unapologetically opinionated challenging and thought provoking Publishers Weekly I am simply blown away by the imagination and scholarship that has gone into Mitchell Freedman s fabulous novel A Disturbance of Fate Incredibly Freedman pulls off this historical fantasy and tells a truly fascinating though very controversial tale Dan E Moldea author of The Killing of Robert F Kennedy A Disturbance of Fate is fun and imaginative It presents a fascinating extrapolation from what we know about our history and reaffirms the importance of Robert F Kennedy s legacy and vision Peter Edelman author of Searching for America s Heart RFK and the Renewal of Hope and legislative assistant to Senator Robert F Kennedy Enter a history where Robert F Kennedy was never killed and where he went on to win the Presidency of the United States of America Contrary to what some may believe the time in which RFK survives is not tidy and perfect it is not the utopia that many of his supporters have come to believe over the years As in life this daring alternate history twists and turns at the surprises and ironies along the way Drawing from political economic and cultural trends to paint a realistic vision of what might have been A Disturbance of Fate is guaranteed to leave you thinking about the fluidity of history **The Last Campaign** Thurston Clarke, 2008-05-27 Tells the story of Robert F Kennedy s 1968 Presidential campaign *The Heavens*

Aram Goudsouzian, 2019-03-05 The presidential election of 1968 forever changed American politics In this character-driven narrative history Aram Goudsouzian portrays the key transformations that played out over that dramatic year It was the last Old Politics campaign where political machines and party bosses determined the major nominees even as the New Politics of grassroots participation powered primary elections It was an election that showed how candidates from both the Left and Right could seize on hot button issues to alter the larger political dynamic It showcased the power of television to package politicians and political ideas and it played out against an extraordinary dramatic global tableau of chaos and conflict More than anything else it was a moment decided by a contest of political personalities as a group of men battled for the presidency with momentous implications for the nation's future Well-paced accessible and engagingly written Goudsouzian's book chronicles anew the characters and events of the 1968 campaign as an essential moment in American history one with clear resonance in our contemporary political moment
