

Beautiful Swift Fox

Popular encyclopedia

Beautiful Swift Fox:

Beautiful Swift Fox Robert Gish, 1996 The American Southwest has assumed the status of a cultural icon over the last few decades and one of the writers who helped it to do so was Erna Fergusson named by the Hopis Beautiful Swift Fox An Anglo American whose travel writing featured the multi ethnicity of her region she popularized the culture and landscapes of her native New Mexico and its surrounding states in a range of writing that prefigured the genre defying art that has come to be called the New Journalism Much has been written about New Mexico s remarkable Fergusson family especially brother Harvey and his novels But Erna Fergusson s literary career has been largely overlooked An iconoclast at the forefront of the Southwest Renaissance movement Erna gained a wide reputation beginning in the 1930s for her written versions of the Southwest which embraced the complexities of regional culture and sympathetically and intelligently portrayed the Indian and Mexican influences Distinguished Southwestern writer Robert Franklin Gish assesses Fergusson s literary contributions and unlocks the inner workings of the prose stylist who operated at the interstices of genres With his postmodern reappraisal of the creative nonfiction forms she used Gish prompts readers to reconsider how they view the art of nonfiction writing Gish argues persuasively that Fergusson s identity as a native New Mexican and the region s singular landscape informed the attitudes and values present in her art He explores the ways her entrepreneurial stint as a New Mexico tour guide during the 1920s and 1930s shaped the organizational strategies for her writing He considers thoughtfully her various forms of writing and how she used travelogue journalistic report popular history and persuasive essay to elevate the Southwest to prominence Gish shows her writing as highly evocative descriptive and metaphorical defying the conventions of the nonfiction forms she used and paving the way for America s school of New Journalism Beautiful Swift Fox is not strictly biography nor does it in a traditional sense seek to explicate a body of work Rather like its subject it bridges genres offering a meditation on one Southwestern writer s sense of place Sunset, 1924 **The popular encyclopedia; or, 'Conversations Lexicon': [ed. by A. Whitelaw from the Encyclopedia Americana].** Popular encyclopedia, 1874 The popular encyclopedia; or, "Conversations lexicon;" being a general dictionary of arts, sciences, literature, biography, and history. With ... illustrations Encyclopaedias, 1874 All I See is Violence Angie Elita Newell, 2024-01-16 A woman warrior a ruthless general and a single mother three stories deftly braided into the legacy of a stolen nation The US government stole the Black Hills from the Sioux as it stole land from every tribe across North America Forcibly relocated American Indians were enslaved under strict land and resource regulations Indigenous writer Angie Elita Newell brings a poignant retelling of the catastrophic true story of the 1876 Battle of Little Bighorn and the social upheaval that occurred on the Pine Ridge Reservation in 1972 during the height of the American Indian Movement Cheyenne warrior Little Wolf fights to maintain her people s land and heritage as General Custer leads a devastating campaign against American Indians killing anyone who refuses to relocate to the Red Cloud Agency in South Dakota A century later on that same reservation Little Wolf s relation Nancy Swiftfox raises four boys

with the help of her father in law while facing the economic and social ramifications of this violent legacy All I See Is Violence weaves love loss and hard truths into a story that needs to be told a journey through violence to bear witness to all that was taken to honor what all of our ancestors lived through and to heal by acknowledging the shadows in order to find the light

A Cheyenne Voice John Stands In Timber, Margot Liberty, 2013-10-08 Rarely does a primary source become available that provides new and significant information about the history and culture of a famous American Indian tribe With A Cheyenne Voice readers now have access to a vast ethnographic and historical trove about the Cheyenne people much of it previously unavailable A Cheyenne Voice contains the complete transcribed interviews conducted by anthropologist Margot Liberty with Northern Cheyenne elder John Stands In Timber 1882-1967 Recorded by Liberty in 1956-1959 when she was a schoolteacher on the Northern Cheyenne Indian Reservation in southeastern Montana the interviews were the basis of the well known 1967 book Cheyenne Memories While that volume is a noteworthy edited version of the interviews this volume presents them word for word in their entirety for the first time Along with memorable candid photographs it also features a unique set of maps depicting movements by soldiers and warriors at the Battle of the Little Bighorn Drawn by Stands In Timber himself they are reproduced here in full color The diverse topics that Stands In Timber addresses range from traditional stories to historical events including the battles of Sand Creek Rosebud and Wounded Knee Replete with absorbing and sometimes even humorous details about Cheyenne tradition warfare ceremony interpersonal relations and everyday life the interviews enliven and enrich our understanding of the Cheyenne people and their distinct history *The Viviparous Quadrupeds of North America* John James Audubon, John Bachman, 1851 **The quadrupeds of North America by John James Audubon and John Bachman** John James Audubon, 1854 **The Quadrupeds of North America** John James Audubon, John Bachman, 1854 *Literary Pilgrims* Lynn Cline, 2007 Illuminates both the well and lesser known literary figures of New Mexico whose collaborative efforts created enduring literary colonies This book also discusses fifteen writers and concludes with walking and driving tours of Santa Fe and Taos
