The Mirror of Beauty Shamsur Rahman Faruqi,2014-03-21 It is the sunset of the Mughal Empire The splendour of imperial Delhi flares one last time The young daughter of a craftsman in the city elopes with an officer of the East India Company And so we are drawn into the story of Wazir Khanam a dazzlingly beautiful and fiercely independent woman who takes a series of lovers including a Navab and a Mughal prince and whom history remembers as the mother of the famous poet Dagh But it is not just one life that this novel sets out to capture it paints in rapturous detail an entire civilization Beginning with the story of an enigmatic and gifted painter in a village near Kishangarh The Mirror of Beauty embarks on an epic journey that sweeps through the death giving deserts of Rajputana the verdant valley of Kashmir and the glorious cosmopolis of Delhi the craft of miniature painting and the art of carpet designing scintillating musical performances and recurring paintings of mysterious alluring women Its scope breathtaking its language beguiling and its style sumptuous this is a work of profound beauty depth and power

The Beauty of the Human Soul Osho,2016-05-24 The Beauty of the Human Soul continues the AUTHENTIC LIVING series by Osho with talks by the contemporary mystic during his stay in the United States All of the Osho books are created from his extemporaneous talks and in this volume reflect the intimate setting in which they were given with small audiences of those gathered in the Oregon commune around him Everything is on the table belief in God the meaning of compassion what happens when we die In sharing stories from his own life bringing new insights to old parables and challenging his listeners to examine their own conscious and unconscious beliefs he begins to create a new and more authentic narrative about what we human beings are doing on this planet and why we are here The entire Authentic Living series is a manifesto of the priceless gift of individuality of both the freedom and the responsibility that comes with living life according to your own light free from fixed concepts and ideologies given by others whether that be parents teachers priests or politicians The challenge is to take nothing for granted leave no sacred cow unexamined And to take the courage to step into the unknown with no idea of what is going to happen with great creativity sensitivity and awareness but with no fixed ideology Osho says You have to go through a transformation and that only you can do Except you nobody can reach there And this is the beauty of the human soul that it is absolutely unavailable to anybody Your center is so protected by existence that nobody can even touch it
