Fitness Planner Toolkit:

Make a Fitness Plan The Experts at Gold's Gym, 2018-12-15 Provide your readers with an introduction to living a healthy life both physically and mentally Students will learn how to set health goals create fitness plans and read about different gym machines and how to use them both safely and effectively They will also learn about the importance of nutrition as they read about different food groups discover how to eat right on a budget and how to portion correctly This comprehensive starter guide gives students a broad introduction into the world of health and fitness and in doing so takes away some of the fear and power that may accompany some of these body changes

The Adult ADHD Tool Kit J. Russell Ramsay, Anthony L. Rostain, 2014-08-27 A central source of frustration for most adults with ADHD is that they know what they need to do but they have difficulties turning their intentions into actions These difficulties also interfere with their ability to use self help books and to get the most out of psychosocial treatments that provide coping strategies that promise to improve their functioning Drs Ramsay and Rostain are experts in the assessment and treatment of adult ADHD and are leaders in the development of effective psychosocial treatments for this group of patients Their newest book *The Adult ADHD Tool Kit Using CBT to Facilitate Coping Inside and Out* is a coping guide for adults living with ADHD one that does not just present useful coping strategies but also provides specific tactics designed to help readers implement these skills in their daily lives and brings them to life in a user friendly format The authors discuss many different settings in which ADHD may cause difficulties including work school matters of physical health and well being and the issue of excessive use of technology Although written for consumers clinicians will find the book to be a clinically useful tool for their adult patients with ADHD serving as a companion to the newly updated and expanded second edition of Drs Ramsay and Rostain's professional treatment manual *Cognitive Behavioral Therapy for Adult ADHD An Integrative Psychosocial and Medical Approach*

The Business Planning Tool Kit Annie Philips, 2019-08-22 Although all primary care organisations have to develop business plans at every level for many this is a new experience This book will show the reader how *The Business Planning Tool Kit* is a practical comprehensive book that contains all the reader needs to know about business planning in primary care The book includes topics on what to include in a business plan personnel finances premises and information management It is an interactive guide including links to websites that have practical templates for the reader to download and use It takes general practitioners practice managers and managers in primary care groups trusts and health authorities through the business planning process in a clear straightforward way This book provides a whole new way of looking at how general practice can be managed and it does so in the form of a manual which gives whoever takes on the task the tools to do so The layout of the book is a joy Every section has sheets on which staff members can write their comments on the issue in hand Users of this book are likely to find themselves in a healthier practice because of it Andrew Polmear in the Foreword
