The Bag Lady Yolanda E. Bonner,2011-02 **Bag Lady** Lisa D. Foster,2022-04-29 A billion plastic bags a day That's how many bags Americans were throwing away in 2005 when Lisa D Foster first switched to reusable bags The impacts of all those bags on our environment and our taxes kept her up at night It was wrong Morally wrong She believed that if American shoppers knew what she knew they would switch to reusable bags too So she did what any good English teacher would do She took the facts about bags and turned them into a story Over the next 12 years that story transformed Lisa into the Bag Lady an eco entrepreneur on a mission to save the world one reusable bag at a time Because she was driven by purpose she did a lot of things right She sold a quarter of a million reusable bags her first year 2 million her second year and 8 million her third year Each reusable bag had the potential to replace a thousand single use bags collectively eliminating billions of plastic bags Lisa also did a lot of things wrong One out of ten startups fail and odds are worse for people like her with no business experience or training In the end she built a thriving company disrupted the plastic bag industry and changed the way America shops It was a wild ride

The Bag Lady Papers Alexandra Penney,2010-02-16 In December 2008 my worst nightmare came true How do you pick yourself up after the one thing you most feared happens to you Alexandra Penney's revealing spirited and ultimately redemptive true story shows us how Throughout her life Alexandra Penney's worst fear was of becoming a bag lady Even as she worked several jobs while raising a son as a single mother wrote a bestselling advice book and became editor in chief of Self magazine she was haunted by the image of herself alone bankrupt and living on the street She even went to therapy in an attempt to alleviate the worry that all she had worked for could crumble And then one day that's exactly what happened Penney had taken a friend's advice and invested nearly everything she had ever earned all of her savings with Bernie Madoff One day she was successful and wealthy the next she had almost nothing Suddenly at an age when many Americans retire Penney saw her worst nightmares coming true Based on her popular blog posts on The Daily Beast this memoir chronicles Penney's struggle to cope with the devastating financial and emotional fallout of being cheated out of her life savings and illuminates her journey back to sanity solvency and security I will work harder than I ever have before which was pretty hard indeed and see what happens I have the feeling something good will come of it tough challenging work and laserlike focus have always paid off for me Was it better to have it and then lose it Yes yes yes Even though I lived with horrible bag lady fears of losing it all now that those financial fears have materialized I'm in pretty good shape and looking to what's next Experiences good and bad exciting and boring tragic and absurd make up a life Not to have lived to the fullest is the saddest most irresponsible life I can think of from **The Bag Lady Papers** **Life After Hell:**
