Balance On The Ball Exercises Inspired By The Teachings Of Joseph Pilates:

Balance on the Ball Elisabeth Crawford, 2000 *Balance on the Ball* combines the smooth controlled movements of Pilates with the instability of a ball to provide a fun challenging workout for people at all levels of fitness Black and white photographs clearly illustrate over 100 exercises focusing on core stabilization muscle tone and flexibility Each exercise provides helpful tips for maintaining optimal form and alignment modifications or advanced variations and a list of muscle groups used As the first book to integrate stability ball training with the Pilates method *Balance on the Ball* explains how the principles of Pilates breathing concentration centering precision control movement flow and rhythm are integral to exercising on the ball The author emphasizes correct alignment and the quality of movement rather than the number of repetitions or speed at which they are performed These essential concepts may be incorporated into the rest of your fitness routine as well as into your daily life for a greater sense of harmony and balance

Flavors of Friuli Elisabeth Antoine Crawford, 2010-08 Plump gnocchi stuffed with juicy plums and then tossed in browned butter sugar and cinnamon How about pasta filled with dried figs and ricotta or even chocolate and walnuts Yes Italian food is more than just spaghetti and tiny Friuli Venezia Giulia hidden from tourist mobs in Italy's northeast corner boasts one of the country's most distinctive regional cuisines With influences from Austria Hungary and Slovenia the Friulian people cleverly merge humble local ingredients with exotic spices from foreign lands resulting in a cuisine that while often surprising in its blend of sweet and savory flavors never ceases to delight the palate In *Flavors of Friuli* Elisabeth Antoine Crawford has compiled eighty of Friuli's traditional recipes including frico Montasio cheese crisps and gubana dried fruit and nut spiral cake and presents them with clear instructions that any home cook can easily follow
