# Balkan Wars

**Christopher Merrill**

## **Balkan Wars:**

**The Balkan Wars 1912-1913** Richard C. Hall, 2002-01-04 In *The Balkan Wars 1912 1913* Richard Hall examines the origins the enactment and the resolution of the Balkan Wars during which the Ottoman Empire fought a Balkan coalition of Bulgaria Greece Montenegro and Serbia The Balkan Wars of 1912 1913 opened an era of conflict in Europe at the beginning of the 20th century which lasted until 1918 and which established a basis for problems which tormented Europe until the end of the century Based on archival as well as published diplomatic and military sources this book provides the first comprehensive perspective on the diplomatic and military aspects of the Balkan Wars It demonstrates that because of the diplomatic problems raised and the military strategies and tactics pursued to resolve those problems The Balkan Wars of 1912 1913 were the first phase of the greater and wider conflict of the First World War **Only the Nails Remain** Christopher Merrill, 2001-10-23 *Only the Nails Remain* Scenes from the Balkan Wars is a chronicle of poet and critic Christopher Merrill's ten war time journeys to the Balkans from the years 1992 through 1996 At once a travelogue a book of war reportage and a biography of the imagination under siege this beautifully written and personal narrative takes the reader along on the author's journeys to all the provinces and republics of the former Yugoslavia Bosnia Herzegovina Croatia Kosovo Macedonia Montenegro Serbia Slovenia and Vojvodina as well as to Albania Austria Bulgaria Greece Hungary Italy and Turkey His journeys provide the narrative structure for an exploration of the roles and responsibility of intellectuals caught up in a decisive historical moment many of whom either helped to incite the war or else bore eloquent witness to its carnage What separates this book the first non native literary work on the conflict from other collections of reportage political analysis and polemic is its concern for capturing the texture of particular places in the midst of dramatic change the sounds and sights and smells the stories and observations of victim and perpetrator alike the culture of war Here is a literary meditation on war a fascinating portrait of the poetry politics and the people of the Balkans that will provide insight into the past present and future of those war torn lands Hear an interview with the author on NPR's Weekend All Things Considered February 20th Balkan Poets [The Balkan Wars](#) Jacob Gould Schurman, 2020-08-13 Reproduction of the original *The Balkan Wars* by Jacob Gould Schurman *The Balkan Wars* Captivating History, 2021-09-11 Did you know that the Balkan Peninsula is often referred to as the powder keg of Europe It was a term devised in the early 20th century to describe the unstable political situation in the region just before it exploded into a conflict known as the First World War The Balkan Wars were a series of conflicts fought between the Balkan League Bulgaria Serbia Greece and Montenegro and its allies and the Ottoman Empire But these wars didn't involve any of the great European powers such as Germany France or the United Kingdom This is what makes them less known but they were crucial for the development of the European political scene The Balkan Wars were first fought for ethnic groups that were ruled by the Ottoman Empire so they could gain their complete independence and expand their territory Looking up to the successful western states Serbia Bulgaria Montenegro and Greece wanted to

achieve national states with a territory that would gather all their ethnic brothers into one state But the legacy of the Ottoman Empire lives on in the multiethnic hodgepodge of the Balkan Peninsula Unlike Westerners the Ottomans considered their faith to be the uniting factor not the idea of belonging to a nation This belief created the complex situation in the Balkans that lasts to this day To understand this part of Europe one must look into the past and understand the obscure and complex conflicts that are known as the Balkan Wars This book will take you into the past and show you how it all started from the creation of the Balkan League to the Bucharest Peace Conference Read Captivating History's The Balkan Wars to understand the origins of the conflict as well as The national aspirations of the Balkan people How Bulgaria gained independence just to lose it against its will The creation of the Balkan League How Bulgarians pushed the Ottomans out of Thrace and Europe How they lost Macedonia their ultimate goal in the process The role of the Greek navy in the Balkan Wars How Greece took Thessaly and its main prize the Port of Thessaloniki Why the Montenegrins were tied to Serbia and what their role in the war was Why Serbia and Greece agreed on an alliance Why Romania and the Ottoman Empire jumped into the conflict How it all ended with a peace treaty signed in Bucharest and Constantinople Don't miss this opportunity to learn about the Balkan Wars scroll up and click the add to cart button [War in the Balkans](#) James Pettifer, Tom

Buchanan, 2015-11-20 The history of the Balkans incorporates all the major historical themes of the 20th Century the rise of nationalism communism and fascism state sponsored genocide and urban warfare Focusing on the centuries opening decades War in the Balkans seeks to shed new light on the Balkan Wars through approaching each regional and ethnic conflict as a separate actor before placing them in a wider context Although top down Great Powers historiography is often used to describe the beginnings of the World War I not enough attention has been paid to the events in the region in the years preceding the Archduke Ferdinand's assassination The Balkan Wars saw the defeat of the Ottoman Empire the end of the Bulgarian Kingdom then one of the most powerful military countries in the region an unprecedented hardening of Serbian nationalism the swallowing up of Slovenes Croats and Slovaks in a larger Balkan entity and thus set in place the pattern of border realignments which would become familiar for much of the twentieth century [The Balkan Wars from Contemporary Perception to Historic Memory](#) Katrin Boeckh, Sabine Rutar, 2017-01-10 This book explores the historical role of the Balkan Wars In Eastern Europe the two Balkan Wars of 1912-13 had greater importance than the First World War for the construction of nations and states This volume shows how these short wars profoundly changed the sociopolitical situation in the Balkans with consequences that are still felt today More than one hundred years later the successors of the belligerent states in Southeastern Europe memorialize the wars as heroic highlights of their respective pasts Furthermore the metaphor that the Balkans were Europe's powder keg perpetuated at the beginning of the twentieth century in the face of these wars was reactivated in both the West and the East up through the Yugoslav wars of the 1990s The authors entangle the hitherto exclusive national master narratives and analyse them cogently and trenchantly for an international readership They make an

indispensable contribution to the proper integration of the Balkan Wars into the European historical memory of twentieth century warfare

The Balkan Wars Andre Gerolymatos, 2008-08-05 When it comes to the Balkans most people quickly become lost in the quagmire of struggle and intractable hatred that consumes that ancient land today Many assume that the genesis of the past ten years of atrocity in the region might have had something to do with Tito and his repressive Yugoslav regime or perhaps with the assassination of Franz Ferdinand in 1914 The seeds were really planted much much earlier on a desolate plain in Kosovo in 1389 when the Serbian Prince Lazar and his army clashed with and were defeated by the Ottoman forces of Sultan Murad I In this riveting new history of the Balkan peoples Andr erolymatos explores how ancient events engendered cultural myths that evolved over time gaining psychic strength in the collective consciousnesses of Orthodox Christians and Muslims alike In colorful detail we meet the key figures that instigated and perpetuated these myths including the assassin heroes Milos Obolic and Gavrilo Princip and the warlord Ali Pasha This lively survey of centuries of strife finally puts the modern conflicts in Bosnia and Kosovo into historical context and provides a long overdue account of the origins of ethnic hatred and warmongering in this turbulent land

**The Balkan Wars: 1912-1913 / Third Edition** Jacob Gould Schurman, 2016-09-18 Short comprehensive book about the Balkan wars of 1912 1913 It focusses not on the gory details of the battlefield but on the political background of the conflict Secret agreements backstabbing and lies it was all there The author tell about them as far as he knew about them and acknowledges it when he doesn t know things for sure The book gives a good overview of the histories of the different countries nations and religions and how those are all connected and overlapping Excerpt from Goodreads

The Balkan Wars Clyde Sinclair Ford, 1915 *The Balkan Wars 1912-1913* Richard C. Hall, 2002-01-04 In *The Balkan Wars 1912 1913* Richard Hall examines the origins the enactment and the resolution of the Balkan Wars during which the Ottoman Empire fought a Balkan coalition of Bulgaria Greece Montenegro and Serbia The Balkan Wars of 1912 1913 opened an era of conflict in Europe at the beginning of the 20th century which lasted until 1918 and which established a basis for problems which tormented Europe until the end of the century Based on archival as well as published diplomatic and military sources this book provides the first comprehensive perspective on the diplomatic and military aspects of the Balkan Wars It demonstrates that because of the diplomatic problems raised and the military strategies and tactics pursued to resolve those problems The Balkan Wars of 1912 1913 were the first phase of the greater and wider conflict of the First World War
