Ballads And Songs Collected By The Missouri Folk Lore Society 2nd Edition:

The Ballad Collectors of North America Scott B. Spencer, 2012 Much has been written about the songs gathered in North America in the first half of the 20th century However there is scant information on those individuals responsible for gathering these songs *The Ballad Collectors of North America How Gathering Folksongs Transformed Academic Thought and American Identity* fills this gap documenting the efforts of those who transcribed and recorded North American folk songs Both biographical and topical this book chronicles not only the most influential of these song catchers but also examines the main schools of thought on the collection process the leading proponents of those schools and the projects that they shaped Contributors also consider the role of technology especially the phonograph in the collection efforts Chapters organized by region cover such areas as Appalachia the West and Canada while others devoted to specialized topics from the cowboy tune and occupational song to the commercialization of folk music through song collections and anthologies *Ballad Collectors* investigates the larger role of the ballad in the development of American identity from the national appreciation of cowboy songs in popular culture to the use of Appalachian song forms in radio broadcasts to the role of dustbowl ballads in the urban folk revival of the 1950s and 1960s Finally this collection assesses the changing role of songs and song texts in the academic fields of folklore anthropology musicology and ethnomusicology Scholars and students of American cultural and social history as well as fans of North American folk and popular music will find *The Ballad Collectors of North America* a fascinating story of how the American folk tradition gained greater visibility fueling the revolutions that would follow in the writing and performance of American music *Ballads and Songs Collected by the Missouri Folk-lore Society* Henry Marvin

Belden, 1955 *Missouri Folklore Society Journal* , 1986 **Scary Stories to Tell in the Dark: The Complete Collection** Alvin Schwartz, 2019-08-01 Read these if you dare The New York Times The iconic anthology series of horror tales that s soon to be a highly anticipated feature film A classic collection of chillingly scary tales collected and retold by Alvin Schwartz and featuring the original illustrations by lauded artist Steve Gammell **An Alabama Songbook** Byron Arnold, 2004-08-12 A lavish presentation of 208 folksongs collected throughout Alabama in the 1940s Alabama is a state rich in folksong tradition from old English ballads sung along the Tennessee River to children s game songs played in Mobile from the rhythmic work songs of the railroad gandy dancers of Gadsden to the spirituals of the Black Belt The musical heritage of blacks and whites rich and poor hill folk and cotton farmers these songs endure as a living part of the state s varied past In the mid 1940s Byron Arnold an eager young music professor from The University of Alabama set out to find and record as many of these songs as he could and was rewarded by unstinting cooperation from many informants Mrs Julia Greer Marechal of Mobile for example was 90 years old blind and a semi invalid but she sang for Arnold for three hours allowing the recording of 33 songs and exhausting Arnold and his technician Helped by such living repositories as Mrs Marechal the Arnold collection grew to well over 500 songs augmented by field notes and remarkable biographical information on the singers *An Alabama Songbook*

Folk Songs of Middle Tennessee Charles K. Wolfe, 1997 *Folk Songs of Middle Tennessee* is superior to most collections because Boswell cast a wide net in his collecting recording many items from people not usually thought of as folksingers and because unlike most collectors of his day he was equally skilled at music and lyric transcription W K McNeil *The Ozark Folk Center* This volume brings together for the first time more than one hundred traditional songs from Middle Tennessee a region that is synonymous in the popular mind with music but one that has been curiously neglected in folksong scholarship The songs presented here were originally collected in the late 1940s and early 1950s by George Boswell a distinguished scholar and field researcher who died in 1995 While living in Nashville Boswell scoured the city and surrounding counties for old ballads and folk songs Sometimes using a wire or tape recorder at other times employing a stenographer he visited numerous singers and transcribed the words and tunes to hundreds of songs Even after moving from Tennessee to assume a teaching position at the University of Mississippi Boswell continued to work on his collection annotating and comparing texts and publishing occasional samples In 1950 he noted that Tennessee virtually alone among southern states had no published collection of its folk songs That has remained the case until now The songs chosen for this book are presented with musical notation and extensive background notes including biographical data on the original informants many of whom were business and professional people and fascinating

histories of each song A number of the songs are rare and previously uncollected others are local variants of long popular ballads The publication of this volume the first major collection of southern folk songs in many years is not only a testament to Boswell's scholarship but a marvelous contribution to our understanding of southern folk culture and Street Ballads in Nineteenth-Century Britain, Ireland, and North America David Atkinson, Steve Roud, 2016-04-01 In recent years the assumption that traditional songs originated from a primarily oral tradition has been challenged by research into street literature that is the cheap printed broadsides and chapbooks that poured from the presses of jobbing printers from the late sixteenth century until the beginning of the twentieth Not only are some traditional singers known to have learned songs from printed sources but most of the songs were composed by professional writers and reached the populace in printed form Street Ballads in Nineteenth Century Britain Ireland and North America engages with the long running debate over the origin of traditional songs by examining street literature's interaction with and influence on oral traditions American Folk Songs Norman Cohen, 2008-09-30 This state by state collection of folksongs describes the history society culture and events characteristic of all fifty states Unlike all other state folksong collections this one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state The topics range from the major historical events such as the Boston Tea Party the attack on Fort Sumter and the California Gold Rush to regionally important events such as disasters and murders labor problems occupational songs ethnic conflicts Some of the songs will be widely recognized such as Casey Jones Marching Through Georgia or Sweet Betsy from Pike Others less familiar have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States their loves labors and losses and their responses to events The collection is organized by regions starting with New England and ending with the states bordering the Pacific Ocean and by states within each region For each state there are from four to fifteen songs presented with an average of 10 songs per state For each song a full text is reprinted followed by discussion of the song in its historical context References to available recordings and other versions are given Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories These songs in a sense are history writ small Includes Away Down East The Old Granite State Connecticut The Virginian Maid's Lament Carry Me Back to Old Virginny I'm Going Back to North Carolina Shut up in Cold Creek Mine Ain't God Good to Iowa Dakota Land Dear Prairie Home Cheyenne Boys I'm off for California and others
