The Boy on the Bus Deborah Schupack,2007-11-01 Meg Landry expected it to be a day like any other her asthmatic eight year old son would step off the bus home from school But on this day the boy on the bus is not Meg s son or at least doesn t appear to be This new boy shares Charlie s copper hair tea brown eyes and slight frame But there is something profoundly if indefinably different about him He has a finer nose his skin is shinier and his face looks more mature as if he has grown into being Charlie more than the real Charlie ever had In the wake of Meg s quiet alarm her far flung family returns home and a jangly unease sets in Neither Charlie s father Jeff nor Charlie s rebellious teenage sister Katie can help Meg settle the question of the boy They look to her for certainty after all shouldn t a mother know her own child In this daring novel Deborah Schupack dissects a family stretched out along the seams of postmodern small town life With the precision of a literary wordsmith Schupack has crafted an extraordinary tale of a mother s love for her son and a mystery that may ultimately rip them apart Tense and atmospheric this debut is a rare combination of intellectual sophistication and page turning suspense
