Adjusting To Technological Change

Daniel F McAuley

Adjusting To Technological Change:

Methods of Adjusting to Automation and Technological Change Derek Curtis Bok, Max Davis Kossoris, 1964
Automation and technological change in USA principal methods used by private sector employers to ease workers adaptation and reassignment of displaced employees 1 avoiding layoff attrition retirement reduction of hours of work retraining automation fund 2 easing burden of unemployment severance pay maintenance of acquired rights unemployment benefit 3 facilitating employment opportunity employment service training programme antidiscrimination policy Case studies

Adjustment to Technological Change Garth L. Mangum, 1982 *Retraining to Adapt to Technological Change*
National Center for Productivity and Quality of Working Life, 1977 *Technology and the American Economy: The outlook for technological change and employment* United States. National Commission on Technology, Automation, and Economic Progress, 1966 **The Economics of Localized Technological Change and Industrial Dynamics** Cristiano Antonelli, 2012-12-06 The concept of localized technological change is emerging at the crossroads of different approaches to the economics of innovation and new technologies The term localized technological change refers to the introduction of technological changes which make possible an increase in total factor productivity within only a limited range of techniques defined by the levels of factor intensity This contrasts with generalized technological change which is defined as the global shift of all the techniques represented on the map of isoquants of the neoclassical tradition The Economics of Localized Technological Change elaborates the notion of localized technology with respect to firms factor substitution sectors regions and techniques It also assesses the implications for industrial policy technology and innovation policy The book will be of interest to corporate policy makers scholars of industrial organization and economics of innovation as well as business school students **Organizational Adaptation to Discontinuous Technological Change** Nadine Kammerlander, 2013-02-26 Adaptation to discontinuous technological change constitutes a major yet vincible challenge for established companies This book reveals crucial differences between the challenges that family owned and managed firms face as compared to non family firms Series of case studies in the German retailing and book publishing industries illustrate those differences Empirical evidence as presented in the book further shows how organizational identity affects whether and in what way firms adapt to radical shifts in their environment Technological Change and Its Labor Impact in Four Industries, 1988

Adjusting to Technological Change Gerald G. Somers, 1974 **The Employment Consequences of Technological Change** Derek L. Bosworth, 1983-06-18 **Technology and the American Economy** United States. National Commission on Technology, Automation, and Economic Progress, 1966
