Angel Of Armageddon:

Angel of Armageddon Michael Anderle, 2021-05-26 It all comes down to one final fight for the future of the Federation Even without the Morgana in her head Stephanie s attitude has become dark indeed Now she has decided the best way to stop a war is attack Unfortunately the Telorans have not arrived and will likely miss this battle Stephanie considers the cost in lives of those in cryo storage and is willing to gamble the whole effort to save those who are still sleeping Is it the best decision militarily Probably not But if she didn t she wouldn t be the Witch of the Federation It s the final book strap yourself in and let s get started Angel of Armageddon Robert Marcum, 1992-10 *The Seventh Angel of Armageddon* Lance Dakota, 2007-07-01 Joshua deeply touches the souls of everyone he comes into contact with especially Nia a beautiful nineteen year old with great trials in her life Joshua Nia and Tim all have dreams they hope to fulfill and through miraculous works they realize their true callings as crusaders of God chosen for His divine purpose *Armageddon's Children* Terry Brooks, 2007-07-31 NEW YORK TIMES BESTSELLER In this exciting first of a new fantasy trilogy bestseller Brooks effortlessly connects the Tolkien infused magic of his Shannara books with the urban postapocalyptic world of his Word and the Void series Longtime Brooks fans and newcomers will be riveted Publishers Weekly starred review In our world s near future civilization has fallen into terrifying chaos Navigating the scarred landscape that once was America and guided by a powerful talisman Logan Tom has sworn an oath to seek out a remarkable being born of magic and destined to lead the final fight against darkness In time Logan s path will cross with others Angel Perez herself a survivor of death dealing forces and a makeshift family of refugees forced to survive among street gangs mutants and marauders Common purpose will draw Logan and his allies together Their courage and convictions will be tested and their fates will be decided as their singular crusade begins to take back or lose forever the only world they have Dynamic compelling mesmerizing with a cliff hanger that leaves readers salivating for the sequel Booklist starred review Strongly recommended a transformative work SFRevu *Rapture and Revelation* R. G. Brock, 2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as Rapture and Revelation While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with Jesus After being inspired by one of Hagin s lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be

backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1 2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble **Angel Communication Code** Stephen J. Silva,2024-02-12 What is presented in this is not a topic by topic review of what is already known but rather it pulls together what is already known and combines this information with fresh new insights with a singular focus The book establishes the common thread leading to a new way to establish 2 way Extraterrestrial Communication This presentation is unique and has never before been conceived or put to the test For the past decade the author has been conducting research and studying the science of extraterrestrial existence and extraterrestrial communication means and methods The result of all of the research in combination with the dream like vision of an extraterrestrial communication code has culminated into the publication of two books on the subject This book is the second The vision came to the author is very much the same sort of vision several Nobel Prize winning scientist experienced leading to their discoveries cited herein This book takes the reader on a journey that leads directly to a scientifically based hypothesis about establishing ET communication It further presents the foundation of an experiment designed to put that hypothesis to the test consistent with the universally accepted standard scientific method The next step is to execute the experiment proposed and get ready to communicate with our brothers out there in the universe beyond earth God'S Redeeming Plan William Edward Dewberry,2011-06-24 This book is about the hope of mankind for a more satisfying and meaningful life based on the knowledge of God and Christ A better understanding of the Word of God results in producing faith hope and love in the hearts of readers and believers The complete Word of God revealed in the Bible is believed and practiced by millions This book is written in language that is easy to understand and reveals the mystery of salvation for everyone Author William Edward Dewberry hopes to give a comprehensible view of Gods plan that will lead readers to examine the Holy Scriptures more thoroughly and become better acquainted with the plan of God that is able to lead a person to salvation through their faith in Christ The word is near you in your mouth and in your heart that is the word of faith that we preach that if you confess with your mouth the Lord Jesus and believe in your heart that God raised Him from the dead you will be saved For whoever calls on the name of the Lord shall be saved Romans 10 This book explains the redeeming plan of God the great benefits of believing and the dire consequences of ignoring the Creator and His Son Jesus Christ It explains Gods plan from the day of creation to the day that the earth and everything in it will be destroyed by extreme heat But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise

and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness 2nd Peter 3 10 11

Armageddon's Glorious End David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible's final book will be a welcomed addition to anyone's personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation's mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve "The First Resurrection"—Who Will Be in It? Or, the Main Purpose for Human Life! Richard Kenney, 2017-08-16 This book started out as a thirty-two page 8 5 x 11 Bible study article about ten years ago approximately 2006 which I wrote and printed up myself at home for the various groups I was teaching at the time I inserted each of the pages into clear plastic page protectors and then mounted them into standard loose leaf binders Then as time passed I started telling myself There's so much more to this study than's not in this writing So I went about to write another study article of fifteen 8 5 x 11 pages concerning the time right close to the time Jesus Christ would actually return then subsequently this full length book This book is about the main subject Christ told his followers to teach to the whole world the Gospel of the kingdom of God and the many aspects pertaining to it There are many questions When will Christ return Will we go to heaven or stay here on earth Will the dead really be resurrected Were living in the very last days now Events will happen that'll affect everyone There will be such calamities that will affect the sun moon and stars Where will the battle of Armageddon be staged This book has the answers to these questions and more We need to stay close to God now more than ever The best way to be prepared is to educate yourself by reading this book **Weekly World News**, 1999-11-16 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site
