Andrew Dice Clay One Night With Dice:

In Living Color Bernadette Giacomazzo,2023-02-15 An entertaining yet candid examination of the popular sketch show In Living Color When the pilot for In Living Color aired for the first time on April 15 1990 America had never seen anything like it And they loved it Over five seasons the show broke racial cultural and comedy boundaries creating unforgettable sketches that dealt almost exclusively with Black subject matter In Living Color A Cultural History celebrates the iconic show and its creators while also providing a conscientious examination of the sketches themselves Bernadette Giacomazzo reveals how the show successfully tackled topics that are still salient today from diversity in Hollywood and workplace racism to mass incarceration and blackfishing while other sketches have not aged quite so well Giacomazzo also looks at how the show helped break the careers of Jamie Foxx Jim Carrey and David Alan Grier amongst others and how its most infamous sketches such as Fire Marshall Bill Homey the Clown East Hollywood Squares and Men on Film helped shape comedy in the twenty first century In Living Color was one of the few sketch shows of the 1990s that effectively tackled racial and social issues with humor It did so more successfully than Saturday Night Live ever did because unlike the long standing late night show In Living Color had a largely Black writer s room This cultural history finally gives the influential show and its creators the recognition they deserve for their role in changing the face of television
