Rainer, 2023-09-05 Opportunity Lies Right Down the Road There's hope for your church Respected church expert Sam Rainer envisions an exciting new wave of revitalized neighborhood churches that are growing and thriving In the not so distant past churches tended to relocate away from their neighborhoods and build large campuses at major intersections At the turn of the 21st century a dramatic shift occurred A new generation began looking to neighborhood churches to foster life giving friendships provide opportunities for service and create a community dedicated to worshiping God Sam Rainer describes this movement and answers the most common questions about this surprising new phenomenon What are the marks of a healthy neighborhood church What are the most common myths about the neighborhood church What are the obstacles to church growth What are the best strategies to reach your neighbors The neighborhood church is primed for a comeback The potential is huge God wants to do incredible things Are you ready *Small Christian Communities and the Parish* John Paul Vandenakker, 1994 Examines the pastoral and theological implications of North American Small Christian Community programs Social Ministry Dieter T. Hessel, 1992-01-01 This work challenges pastors seminarians and active members of the laity to rethink the social character of their ministry Dieter Hessel calls on parish communities to meet human need with good Samaritan love while acting for justice with prophetic boldness In this updated edition Hessel assesses major new developments that have occurred in both church and society since the first publication of Social Ministry He gives special attention to the uncertainty that churches face today in regard to their public role *The Rise of Charismatic Catholicism in Latin America* Edward L. Cleary, 2018-07-02 Latin America in the twenty first century is no longer the way we have always imagined it and nowhere are the region's vast changes more evident than in the field of religion Ed Cleary brings his readers into the churches and communities of Latin America to introduce them to the Catholic Charismatic Movement the biggest and most important religious shift taking place in the region in recent decades Kenneth P Serbin University of San Diego Much has been made of the dramatic rise of Protestantism in Latin America Many view this as a sign that Catholicism's primacy in the region is at last beginning to wane Overlooked by journalists and scholars has been the parallel growth of Charismatic or Pentecostal Catholicism in the region Edward Cleary offers the first comprehensive treatment of this movement revealing its importance to the Catholic Church as well as the people of Latin America Catholic Charismatics have grown worldwide to several hundred million among whom Latin Americans number approximately 73 million participants These individuals are helping the church become more extroverted by drawing many into evangelizing and mission work The movement has rapidly acquired an indigenous Latin American character and is now returning to the United States through migration and is affecting Catholicism in the United States Cleary has witnessed firsthand the birth and maturing of the Catholic Charismatic Renewal in Latin America as both a social scientist and a Dominican missionary Drawing upon

important findings of Latin American scholars and researchers he explores and analyzes the origins of the most important Catholic movement in Latin America and its notable expansion to all countries of the region bringing with it unusual vitality and notable controversy about its practices Edward L Cleary professor of political science and director of the Latin American studies program at Providence College and visiting scholar at Stanford University has authored or edited eleven books most recently Conversion of a Continent Religious Change in Latin America House of Disciples Michael H. Crosby, 2004-01-28 The household was the basic unit of the early church it also constituted the basic unit of political economy until the Industrial Revolution This richly detailed work uses the notion of house as a unifying theme establishing the identity and concerns of the early Christian churches What emphases did Matthew's gospel have for that audience which Crosby establishes was urban based and prosperous and what does it mean to First World Christians today Through an in depth exploration of Matthew's gospel and its socioeconomic milieu House of Disciples shows how the world of the early church continues to challenge Christians nineteen hundred years later It makes a unique contribution to both New Testament scholarship and the practice of a contemporary spirituality Shona Women in Zimbabwe--A Purchased People? John Chitakure, 2016-09-29 The position and treatment of women in every religion culture and society have been subjects of concern for a long time In every society women fight for their emancipation from exploitive and oppressive patriarchal structures The most contentious issues include domestic violence gender discrimination and inequality in the areas of employment leadership and marriage Domestic violence tops the list and is the worst enemy of any progressive and democratic society It dehumanizes disfigures and demeans its victims and survivors Shona Women in Zimbabwe a Purchased People explores the causes of domestic violence the cultural practice of bridewealth in particular and assesses the extent to which it contributes to the proliferation of domestic violence among the Shona people of Zimbabwe It then explores the Christian traditions particularly the Roman Catholic Church in search of resources that can be used to emancipate Shona women from patriarchal subjugation Finally the book offers a pastoral response that is informed by the experiences of the Shona women their cultural resources and the Roman Catholic religious tradition **The Publishers Weekly** ,1984 Carmelus ,1988 Re-Imagining the Parish Patrick J.
