history of Russian temporary architecture and public art from the royal festivals during the times of Peter the Great up to the recent venues including the Sochi Winter Olympics The forms and the circumstances of their design were drastically different however the projects discussed in the book share a common feature they have been instrumental in the construction of Russia's national identity with its perception of the West simultaneously a foe and a paragon looming high over this process The book offers a history of multidirectional relationships between diplomacy propaganda and architecture

World Architecture, 2000 Integral Urbanism Nan Ellin, 2013-10-18 Integral Urbanism is an ambitious and forward looking theory of urbanism that offers a new model of urban life Nan Ellin's model stands as an antidote to the pervasive problems engendered by modern and postmodern urban planning and architecture sprawl anomie a pervasive culture and architecture of fear in cities and a disregard for environmental issues Instead of the reactive and escapist tendencies characterizing so much contemporary urban development Ellin champions an integral approach that reverses the

fragmentation of our landscapes and lives through proactive design solutions **Lost Architecture of the Rio Grande Borderlands** W. Eugene George, 2008-06-24 Mexican settlers first came to the valley of the Rio Grande to establish their ranchos in the 1750s Two centuries later the Great River dammed in an international effort by the U S and Mexican governments to provide flood control and a more dependable water supply inundated twelve settlements that had been built there Under the waters of the new Falc n Reservoir lay homes businesses churches and cemeteries abandoned by residents on both sides of the river when the floods of 1953 filled the 115 000 acre area two years ahead of schedule The Smithsonian Institution the National Park Service and the University of Texas at Austin conducted an initial survey of the communities lost to the Falc n Reservoir but these studies were never completed or fully reported When architect W Eugene George came to the area in the 1960s he found a way of life waiting to be preserved in words photographs and drawings Two subsequent recessions of the reservoir in 1983 86 and again in 1996 98 gave George new access to one of the settlements Guerrero Viejo in Mexico Unfortunately the receding lake waters also made the village accessible to looters George's work then was crucial in documenting the indigenous architecture of these villages both as it existed prior to the flooding and as it remained before it was despoiled by vandals' hands Lost Architecture of the Rio Grande Borderlands combines George's original 1975 Texas Historical Commission report with the information he gleaned during the two low water periods This handsome extended photographic essay casts new light on the architecture and lives of the people of the Texas Mexico borderlands Medieval Culture and the Mexican American Borderlands Milo Kearney, Manuel Medrano, 2001 Their respective ancestral cultures in England and Spain argue scholars Milo Kearney and Manuel Medrano had common roots in medieval Europe and both their conflicts and the shared understandings that may form the basis for their cooperation trace back to those days
