Are The Mormon Scriptures Reliable:

Are the Mormon Scriptures Reliable? Harry L. Ropp, Wesley P. Walters, 1987 Reasoning from the Scriptures with the Mormons Ron Rhodes, Marian Bodine, 1995-07-01 Have the Mormons ever left you unsure of what to say Their arguments are convincing their teachings seem indisputable and their stand on what they believe is firm How can you effectively communicate to the Mormons that their gospel does not match up with the Bible One of the best ways is to ask penetrating questions Cult experts Ron Rhodes and Marian Bodine will help you understand the main points of Mormonism and discover where it falls short of God's truth They then equip you to ask strategic questions that challenge the Mormon claim to be the only true church the reliability of Mormon prophets the authenticity of the Book of Mormon Jesus supposed visit to ancient America the Mormon view of God Jesus and the Holy Spirit and much more You'll find Reasoning from the Scriptures with the Mormons a valuable guide to responding to Mormons with confidence *Everything You Ever Wanted to Know About Mormonism* John Ankerberg, John Weldon, 2019-11-13 This definitive work covers every aspect of the history beliefs and practices of Mormonism Answers the crucial questions How Did Mormonism Begin Are Mormon Revelations from God How Powerful Is the Mormon Church Today Is Mormonism a Christian Religion What Is the Mormon View of Christianity What Is the Mormon View of Jesus Christ What Does the Mormon Church Teach Concerning Salvation What Does the Mormon Church Believe About the Afterlife Were Early Mormon Leaders Practitioners of the Occult This book comprehensively traces the roots of Mormonism and examines all of its major doctrines **What Do Mormons Really Believe** John Ankerberg, John Weldon, 2011-08-01 Mormons say they are Christians but are they Do they believe in the same Bible the same God and the same Jesus that Christians follow This book answers these questions and more Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Did Joseph Smith ever give false prophecies The meaning of terms Mormons use as well as their views on the Bible reveal the huge chasm between what Mormons and Christians believe This book will help you share the truth with Mormons that come to your door *How Reliable Is the Bible?* Judson Poling, 2003 This revised edition of the Tough Questions series of small group curriculum faces head on the difficult and challenging questions seekers ask about the Christian faith Good News for Latter-Day Saints (Mormons) Robert James, 2021-01-14 It is no exaggeration to say that the Mormons the Latter day Saints are a fascinating people Since 1830 they have been a part of the great mosaic of America Persecuted by mobs driven from place to place their incredible courage in the face of unrelenting hostility has wielded them into a formidable presence especially in the State of Utah Founded in New York State by the charismatic Joseph Smith Jr he said he was personally commissioned by God to restore pure Christianity to the world The Book of Mormon this most perfect book was his initial written binding revelation to his church Joseph Smith was a controversial figure in his day accused of being a fraud a racist a womanizer a disrupter of good morals and a dictator One thing he did do well was to gather people into his church make them believe in themselves and

strengthen them into being a formidable force for Mormonism Smith led them through armed conflict against hostile neighbors even against government militias Gun battles and extreme violence were commonplace Eventually Joseph Smith was captured and assassinated all this by age forty Nobody was convicted of his murder Smith is perhaps the most understudied under estimated and misunderstood character in American history He was no ordinary man When his successor Brigham Young led the Latter day Saints to a place of sanctuary today s Salt Lake City Utah it was one of the most epic unifying journeys in American history In the past some of their unusual practices were total obedience to the leadership blood atonement and especially polygamy Some of these were discarded 1890 so today most Mormons are good neighbors However there are Mormon outlaws who still practice such unsavory things hoping to resume them all One goal of the early saints was to conquer Missouri next the entire country then the world Today the Mormon Church is one of the wealthiest and most powerful organizations on the planet Its influence and missionary outreach is worldwide As possibly the fastest growing faith in the world maybe someday they will succeed Then what will be next

Leaving Mormonism Corey Miller, Lynn K. Wilder, 2017-11-28 The growing popular perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens

Sharing the Good News with Mormons Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don t think they need it Someone you know is a Mormon a family member a coworker a friend or a neighbor and you long to present the truth about Jesus and what God s Word teaches But where do you start How can you convey what s on your heart in a way that will be well received Every relationship and situation is unique and that s why these essays from respected scholars apologists and pastors including Sandra Tanner Robert Bowman David Geisler Bill McKeever Mark Mittelberg J Warner Wallace Lynn Wilder and others lays out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations respond with compassion and clarity to Mormon teachings understand your Mormon friends and find ways to keep the dialogue going Speaking the truth to Mormons can feel daunting when you re unprepared Let the suggestions in this book give you solid ideas for reaching those who are lost but don t realize it

7 Reasons We Left Mormonism Michael Wilder, Lynn Wilder, 2012-09-10 Former Mormons Michael and Lynn Wilder

share the 7 reasons that led them from over 30 years of devout Mormon involvement to biblical Christianity From Michael s leadership to determine if a person was Temple worthy to Lynn s role as tenured professor at Mormon owned BYU you ll discover the beliefs that changed their heart and mind as they examined the Bible s words for themselves In Defense of Miracles R. Douglas Geivett, Gary R. Habermas, 2025-10-16 Rumors of deception have surrounded claims of Jesus resurrection ever since the soldiers appointed to guard his tomb made their report to the Jewish authorities But no one has led the philosophic charge against miracles quite as influentially as David Hume with his 1748 essay Of Miracles Refined revised restated his arguments still affect philosophic discussions of miracles today During the twentieth century strong arguments have been raised by Antony Flew professor emeritus at Keele University in England Flew has contributed a fresh statement of his objections to the idea of God s acting in history just for this volume which also includes Hume s classic critique as a part of the case against miracles In response Douglas Geivett and Gary Habermas have assembled a distinguished team of scholars to rebut the objections and set forth the positive case for God s action in history Richard Purtill clarifies the word miracle while Norman Geisler critiques Hume s case against miracles Francis Beckwith and Winfried Corduan assess how we would recognize miracles in the past and in the present Ronald Nash examines naturalism s exclusion of miracles and shows its self referential incoherence J P Moreland discusses whether science properly rules out the possibility of miracles God s existence and action in history are probed by David Beck and Stephen Davis while Douglas Geivett argues that within a theistic framework it is reasonable to expect miracles as confirmation of claims to special revelation David Clark examines miracles within the context of various world religions Robert Newman John Feinberg William Lane Craig and Gary Habermas conclude by investigating fulfilled prophecy the virgin birth and incarnation of Jesus the empty tomb and the resurrection appearances In Defense of Miracles is a comprehensive up to date discussion that should not be overlooked by anyone concerned with the current debate over miracles
