

RIDE GUIDE

BASIC POSITION

Hold both reins in one hand and keep them loose on the horse's mouth.

MOVING FORWARD

To get your horse to move forward, give him a good firm nudge with both heels.

TURNING

To get your horse to turn to the left, move both reins across his neck to the left.
To get your horse to turn right, move both reins across his neck to the right.

STOPPING

Pull back on the reins until he stops. (Once he has stopped) loosen the reins. If you keep pulling back he is going to go backwards.

DOWNHILL

Lean back when traveling downhill.

UPHILL

Lean forward when traveling uphill.

RIDE IN SINGLE FILE, NO PASSING

We ride in a single file, close together but not too close. No side-by-side or passing. Keep about 20' distance between you and the horse in front of you. If your horse starts to fall behind give him a nice firm nudge and get him caught up.

NO EATING FOR HORSES

Don't let the horse eat on trail. If your horse tries to eat, pull up firmly on your reins, give him a firm nudge in the side and get him moving.

RIDER ETIQUETTE

No phones, cameras, backpacks or picnics are allowed on horseback.
