NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda,2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don t want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God **Victory Over the Sinful Nature** Bruce C. Salisbury,2022-04-19 Victory over the Sinful Nature

This reality can be our hope and encouragement for living with a winning strategy in our lives if we repent and accept God s grace and forgiveness in our hearts As individuals now in the past and in the future we are involved in a spiritual battle between good and evil Satan and his band of soldiers are our enemy Jesus is our Redeemer who fights for us and who loves us unconditionally As we battle daily against temptations and enticements from Satan and his cohorts to commit sins through the truth of God s Word we can have victory in our lives We do not have to be deceived or led astray Understanding the sinful nature and the works of the flesh will help to prevent us from being confused or deceived and will enable us to defeat our enemies spiritually Victory is winning a battle struggle or contest It is being successful in defeating an enemy We can have victory good judgment and understanding of God s Word and will for us The purpose of this book is to help those who read it to understand what the works of the flesh and the temptations that we face daily are and to recognize the difference between the sinful nature and the spiritual warfare we face There is clarification of how the sinful nature operates in a person s life The works of the flesh can prevent us from entering God s kingdom When we look at God s Word we realize and understand

that as Christians we are not under the law and with the Holy Spirit we will not gratify the sinful nature The information here is geared to everyone who has an open mind and heart to the Lord and his amazing grace *The Secularization of Baptism* Mark G. McKim, 2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day The Secularization of Baptism demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross *A Woman's Walk with God* Elizabeth George, 2014-02-01 Do you yearn for a closer walk with God For a greater understanding of what it means to let Him live through you For the marks of His presence in your life Author Elizabeth George gives practical help for how you can do that in this study of the fruit of the Spirit Discover love joy and peace that changes hearts families and friendships patience kindness and goodness that seeks the best for everyone faithfulness gentleness and self control that brings spiritual victory in life s more challenging moments A Woman s Walk with God is an invitation to experience the joys of moment by moment living in the Lord s power and producing the fruit of the Spirit in every circumstance *The Moody Handbook of Messianic Prophecy* Michael Rydelnik, Edwin Blum, 2019-10-10 What does the Old Testament say about Jesus Most of us hear an occasional messianic prophecy during advent we see Old Testament verses cited by New Testament authors and applied to Jesus but we don t really know what passages in the Old Testament can be considered messianic much less how to interpret some of the confusing ones The Moody Handbook of Messianic Prophecy is an authoritative and reliable guide to the Old Testament passages pointing us to Jesus A collection of essays from Old Testament scholars this work enables believers to understand the messianic nature of the Hebrew Bible like never before You ll learn about messianic prophecy and its interpretation and make new discoveries about the context and application of both familiar and strange passages Enjoy the delight of discovery as you look at familiar passages in a new light Dig into the messianic prophecy today *Biblical Eschatology, Second Edition* Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology

it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible

A Thematic Access-Oriented

Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
