

UNEXPURGATED VERSION

The background of the cover is an abstract composition of organic, flowing shapes. The upper portion is dominated by various shades of green, ranging from a pale, almost white-green to a deep forest green. These green shapes are separated by dark, irregular outlines. Below the green, a large, textured area of reddish-brown and terracotta tones takes hold. The overall effect is reminiscent of a topographical map or a cross-section of geological strata, with the colors suggesting different layers or environments. The text is overlaid on this background, with the title 'Autobiography OF A STRANGER' centered and the author's name at the bottom.
