The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *The Autobiography of Maxim Gorky* Maksim Gorky,1962 **A Study of Bolshevism** Nathan Leites,2021-05-03 A massive effort to determine the objectives and techniques of Soviet communism by intensive examination of all the works of Lenin and Stalin In this book I shall attempt to portray the spirit of the Bolshevik elite the elite which in 1903 had a dominant influence on a few hundred members of the Russian Social Democratic Workers Party and today influences several hundred million people in Europe Asia and elsewhere In doing so I have a two fold objective to contribute to our knowledge of the varieties of man and to enhance the skill of Western policy makers in dealing with the Politburos of the Soviet and other Communist parties There are various ways to study the spirit of a ruling group Here I have chosen just one the analysis of its doctrine It is conceivable that future researches will show other procedures to be equally or more productive I do not propose to analyze Bolshevik doctrine as fully as possible but rather to take one aspect of it what I call the operational code that is the conceptions of political strategy Future research may deal in a comparable manner with other aspects of Bolshevik ideology We cannot now prejudge the relation and relevance of the results to be obtained by such different foci of study Author s introduction *A Companion to the Historical Film* Robert A. Rosenstone,Constantin Parvulescu,2015-12-02 Broad in scope this interdisciplinary collection of original scholarship on historical film features essays that explore the many facets of this expanding field and provide a platform for promising avenues of research Offers a unique collection of cutting edge research that questions the intention behind and influence of historical film Essays range in scope from inclusive broad ranging subjects such as political contexts to focused assessments of individual films and auteurs Prefaced with an introductory survey of the field by its two distinguished editors Features interdisciplinary contributions from scholars in the fields of History Film Studies Anthropology and Cultural and Literary Studies Reading Autobiography Now Sidonie Smith,Julia Watson,2024-07-09 A user friendly guide to reading writing and theorizing autobiographical texts and practices for students scholars and practitioners of life narrative The boom in autobiographical narratives continues apace It now encompasses a global spectrum of texts and practices in such media as

graphic memoir auto photography performance and plastic arts film and video and online platforms Reading Autobiography Now offers both a critical engagement with life narrative in historical perspective and a theoretical framework for interpreting texts and practices in this wide ranging field Hailed upon its initial publication as the Whole Earth Catalog of autobiography studies this essential book has been updated reorganized and expanded in scope to serve as an accessible and contemporary guide for scholars students and practitioners Sidonie Smith and Julia Watson explore definitions of life narrative probe issues of subjectivity and outline salient features of autobiographical acts and practices In this updated edition they address emergent topics such as autotheory autofiction and autoethnography expand the discussions of identity relationality and agency and introduce new material on autobiographical archives and the profusion of I s in contemporary works Smith and Watson also provide a helpful toolkit of strategies for reading life narrative and an extensive glossary of mini essays analyzing key theoretical concepts and dozens of autobiographical genres An indispensable exploration of this expansive transnational multimedia field Reading Autobiography Now meticulously unpacks the heterogeneous modes of life narratives through which people tell their stories from traditional memoirs and trauma narratives to collaborative life narrative and autobiographical comics

Autobiography James Goodwin,1993 Goodwin English UCLA establishes the importance of autobiography to both literature and social history discussing such diverse topics as the American success paradigm the relationship between literacy and liberation in African American society the use of the third person in autobiography and the importance of the genre in the emergence of cultures and social groups traditionally confined to minority status Includes close studies of several French and American works and a bibliographic essay Annotation copyright by Book News Inc Portland OR

The 20th Century Go-N Frank N. Magill,2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography

Manic Depression and Creativity D. Jablow Hershman,2010-10-05 From Plato who originated the idea of inspired mania to Beethoven Dickens Newton Van Gogh and today s popular creative artists and scientists who ve battled manic depression this intriguing work examines creativity and madness in mystery myth and history

Embracing the Song of Phrase: An Psychological Symphony within **Autobiography Of Maxim Gorky Citadel**

In some sort of consumed by displays and the ceaseless chatter of immediate transmission, the melodic elegance and emotional symphony produced by the written term usually diminish into the background, eclipsed by the persistent sound and disruptions that permeate our lives. However, located within the pages of **Autobiography Of Maxim Gorky Citadel** an enchanting literary prize overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this captivating masterpiece conducts readers on a mental journey, well unraveling the hidden songs and profound influence resonating within each cautiously constructed phrase. Within the depths with this poignant assessment, we shall discover the book is key harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
