Bullies Fights And Guns Testing Selfcontrol Theory With Juveniles:

Bullies, Fights, and Guns Stacey Nofziger, 2001 Annotation Nofziger sociology anthropology and social work Kansas State U applies self control theory to a broad spectrum of juvenile behaviors from schoolyard bullying to drive by shootings After reviewing subcultural and other criminological theories the author explains self control theory s focus on tendencies toward criminality rather than on specific crimes From an analysis of survey data from four Fayetteville AR schools she concludes that bullying should receive as much attention as more violent behaviors since they all can be mitigated by self control or triggered by opportunity The survey form is appended Annotation c Book News Inc Portland OR booknews com

Modern Control Theory and the Limits of Criminal Justice Michael R. Gottfredson, Travis Hirschi, 2020 In 1990 when Michael Gottfredson and Travis Hirschi published *A General Theory of Crime* now often referred to as self control theory it quickly became among the most discussed and researched perspectives in criminology In *Modern Control Theory and the Limits of Criminal Justice* Gottfredson and Hirschi develop and extend the theory of self control advanced in their classic work Focusing on the methodology of testing crime theory and measuring behavioral research on crime and delinquency they critically review the evidence about self control theory Gottfredson and Hirschi further discuss evidence about the positive consequences of higher levels of self control from education economics and public health that along with evidence from delinquency and crime show substantial support for the theory of self control Illustrating the theory through predictions about policing incarceration juvenile justice and the connection of immigration policy to crime this book connects self control theory to the structure and function of the criminal justice system then applies the theory to pressing issues of public policy about delinquency and crime

they are how they progress and what you may encounter in their aftermath In addition you get an invaluable inside look at crisis intervention and support services in the aftermath of the 2001 Santana High School shootings in San Diego California With your purchase of this essential handbook you ll also be kept up to date by the author s new Internet forum a space where scholars and practitioners from around the world come together to create new strategies for school violence prevention and intervention and develop new online and print publications that address school violence When I was like 11 I was hanging out I used to go to a middle school It was for bad people only bad people go there It s a school just for bad people that had gotten kicked out of school And I had got kicked out of my school cause they found me with a gun The Handbook of School Violence brings together many voices those of violent youngsters and the helpers who provide the care they need those of students who feel no connection with their families or with their work at school those of the professionals who strive to prevent these students from acting on their feelings of alienation in violent ways and those of scholars who create theory and research laying the foundation for prevention and intervention Add this book to your collection and you ll benefit from the contributions of this rich chorus of voices And through the Internet forum the chorus can add a new voice yours Visit the Handbook of School Violence Web site at <http://geneslight.com/hsv/files/about.html> Handbook on Crime Fiona Brookman, Mike Maguire, Harriet Pierpoint, Trevor Bennett, 2010-02 This comprehensive edited volume contains analysis and explanation of the nature extent patterns and causes of over 40 different forms of crime in each case drawing attention to key contemporary debates and social and criminal justice responses *Handbook of Juvenile Justice* Barbara Sims, Pamela Preston, 2006-05-05 Too often professionals in public policy or criminal justice must scramble to find additional reading on juvenile law and justice or on juvenile delinquency topics because most references and textbooks provide inadequate coverage of many issues of importance The Handbook of Juvenile Justice Theory and Practice responds to this need by prov

Private Vs. Public Operation of Juvenile Correctional Facilities Gaylene Styve Armstrong, 2001 Armstrong studies the environmental quality of confinement in private and public juvenile correctional facilities using data from 48 facilities representing 4 590 delinquents 1 362 staff and 48 administrators in 19 states 16 private and 32 public facilities Her results demonstrate that neither staff nor juvenile delinquents perceived the environmental quality to be significantly different between private and public facilities Further compared to public facilities private facilities were smaller newer and had a more intensive admission process for juvenile delinquents Public and Private correctional staff differed significantly on age and prior work experience Differences in the juvenile populations were minimal **Neighborhood Structure, Crime, and Fear of Crime** Clete Snell, 2001 In this collection Esther Raizen explores the significance and value of Hebrew poetry written in response to the wars in which Israel was involved during the last fifty years The anthology includes the works of many poets some as well known as Nathan Altherman and Yehudah Amichai and others less known The poems presented in both English and Hebrew depict war as viewed by the soldier as reflected upon by civilians and as a force giving rise to the

creation of poetry Raizen explores in an introductory essay the issue of whether poetry written with a defined political message and in the context of certain historical events can function adequately on the aesthetic level She also tracks the changes in the characteristics of Israeli war poetry from 1948 to 1991 beginning with the glorified patriotism expected in the 1930s 1940s and progressing to the critical ideas in the later years during which poetry is characterized by understatement and cynicism

Contemporary Gangs Deborah Lamm Weisel, 2002 Annotation Questioning whether organizational theory can lead to greater understandings of gang structure size and growth and contribute predictive theories about gang success and expansion Weisel political science and public administration North Carolina State U conducted field research with four Chicago and San Diego gangs Qualitative analysis methods and software were used to identify varying aspects of gang organizations including labor specialization patterns of leadership extent of hierarchy occurrence of regular meetings payment of dues and adherence to rules discipline and penalties Annotation c Book News Inc Portland OR booknews com

Narcissism and Entitlement David R. Champion, 2003 Champion s research relates narcissism Machiavellianism and entitlement to sexual aggression and explores the implications for criminology Champion examines the premise that sexually aggressive men possess distinct cognitively structured belief systems and sexual aggressors tend to be more narcissistic Machiavellian and sexually experienced than other men Champion postulates that entitling personality structures are associated with sexual aggression and speculates on the implications of this for future criminological study *Criminal Justice Review* ,2002
