Buried Alive The Terrifying History Of Our Most Primal Fear:

Buried Alive Jan Bondeson, 2002 This text examines the medical historical and folklore literature on the subject of being buried alive and explores why fears of premature burial arose and whether they were warranted *Buried Alive* Jan Bondeson, 2004-02-01 Could people of the 1800s been at risk of being buried alive It was speculated that 10% of people were buried before they were dead This book explores the med folklore history and literature of Europe and the U S to uncover why such fears arose and whether they were warranted Looks at legends of thieves awakening supposedly deceased women when they try to steal their jewelry and people awakening on the way to funerals or even later in the graveyard Looks at the bizarre 19th century security coffins with escape hatches and the waiting mortuaries for decaying corpses as well as the writers who were inspired to use themes of premature burial Questions whether our med criteria today for determining if someone is dead are truly reliable Over 50 illus *Buried Alive* Jan Bondeson, 2001 **American Women's Ghost Stories in the Gilded Age** D. Downey, 2014-09-29 This book shows just how closely late nineteenth century American women s ghost stories engaged with objects such as photographs mourning paraphernalia wallpaper and humble domestic furniture Featuring uncanny tales from the big city to the small town and the empty prairie it offers a new perspective on an old genre **Execution, State and Society in England, 1660-1900** Simon Devereaux, 2023-10-26 This book provides the first comprehensive account of execution practices in England and their extraordinary transformation from 1660 to 1900 Agonizing execution rituals were once common Male traitors were hanged disembowelled while still alive then decapitated and quartered Female traitors were burned alive And common criminals slowly choked to death beneath wooden crossbeams erected at the margins of towns Some of their bodies were either left to rot on roadside gibbets or dissected by anatomy instructors Two centuries later only murderers and traitors were executed both by hanging and they died alone usually quickly and behind prison walls In this major contribution to the history of crime and punishment in England Simon Devereaux reveals how urban growth and the unique public culture it produced challenged and largely displaced those traditional elites who valued the old Bloody Code as an instrument of their rule Contemporary Debates in Bioethics Arthur L. Caplan, Robert Arp, 2013-09-10 Contemporary Debates in Bioethics features a timely collection of highly readable debate style arguments contributed by many of today s top bioethics scholars focusing on core bioethical concerns of the twenty first century Written in an engaging debate style format for accessibility to non specialists Features general introductions to each topic that precede scholarly debates Presents the latest cutting edge thoughts on relevant bioethics ideas arguments and debates **A Cheerful and Comfortable Faith** Lauren F. Winner, 2010-01-01 A very satisfying book persuasive in showing how material culture and household devotion are central to the workings of lived Anglicanism in eighteenth century Virginia David D Hall Harvard Divinity School Gothic Literary Travel and Tourism Alex Bevan, 2023-05-15 Gothic tourism is a growing phenomenon and a medium through which Gothic fictions and folkloric tales

are re imagined and generated This book examines the complex relationship between contemporary English Gothic attractions and storytelling uncovering how works of Gothic fiction can both inspire Gothic tourism and emerge from the spaces of Gothic tourism contending that Gothic tourist attractions are multi layered storytelling experiences Contributing to the study of literature and place Gothic Literary Travel and Tourism draws together the study of literary Gothic tourism and spatial philosophy offering interdisciplinary analysis into the interface between Gothic narrative s and the spaces in which the tourist navigates The storytelling practices taking place in Gothic caves theme parks ghost tours and rural walks serve to reflect contemporary fears and anxieties This book situates the act of touring a Gothic site as a process of literary and social discovery

The Science of Proof E. Claire Cage, 2022-09-01 The Science of Proof traces the rise of forensic medicine in late eighteenth and nineteenth century France and examines its implications for our understanding of expert authority Tying real life cases to broader debates the book analyzes how new forms of medical and scientific knowledge many of which were pioneered in France were contested but ultimately accepted and applied to legal problems and the administration of justice The growing authority of medical experts in the French legal arena was nonetheless subject to sharp criticism and scepticism The professional development of medicolegal expertise and its influence in criminal courts sparked debates about the extent to which it could reveal truth furnish legal proof and serve justice Drawing on a wide base of archival and printed sources Claire Cage reveals tensions between uncertainty about the reliability of forensic evidence and a new confidence in the power of scientific inquiry to establish guilt innocence and legal responsibility

Death and Dying John F. Szabo, 2009-11-02 While it can be traced to the 1700s the term thanatology has gained traction in recent decades to refer to the study of death Because of the breadth of the published material and the challenges of discovery in large bibliographic databases and catalogs finding and identifying monographic material on death dying grief and bereavement can be extremely challenging Although there have been several bibliographical resources published on thanatology those titles were incomplete limited in scope or leaned heavily toward one area of the field In *Death and Dying An Annotated Bibliography of the Thanatological Literature* John F Szabo provides more than 2 200 citations of monographs on the science and study of death and dying Among the areas this volume addresses are the psychological philosophical and attitudinal aspects coping and dealing with the burdens of caregiving and working in the helping professions instructional and educational topics for practitioners primarily health care providers cultural differences in bereavement rituals and grief mourning and loss In addition notable titles on or relating to death and dying in popular culture death themes in literature methods of death or specific ethical policy or public issues are also included when they contribute important information to subject areas on which the book focuses This book will be helpful to students researchers academics caregivers health care professionals psychologists social workers and anyone with an interest in death dying bereavement or the care of the terminally ill
