Business Through Correspondence And Advertising:

The Practical Business Library: Business correspondence, by R.S. Butler and H.A. Burd ,1919 **Domestic Commerce Series** ,1930 **The Export Executive** Benjamin Olney Hough,1925 Printers' Ink; the ... Magazine of Advertising, Management and Sales ,1905 Exporting to the World A. A. Preciado,1923 Domestic Commerce Series ... United States. Bureau of Foreign and Domestic Commerce. (Dept. of commerce).,1932 Frank Waterhouse & Company's Pacific Ports ... Waterhouse, Frank, & Company, Seattle,1919 **The Battle for the Migrants** Torsten Feys,2017-10-18 This book approaches the well documented study of European mass migration to the United States of America from the viewpoint of mass migration as a business venture The overall purpose is to demonstrate that maritime and migration histories are interlinked and dependent on a deeper understanding of the social economic and political factors at work in the nineteenth century Atlantic community It centres on both the evolution of the port of Rotterdam as a migration gateway and the crucial role of the Holland America line as a regulator of the North American passenger trade The first part of the book explores the simultaneous rise of transatlantic mass migration and long distance steamshipping between 1830 to 1870 The second part divided into five chapters explores how mass migration became a big business between 1870 and 1914 and scrutinises how steamship companies organised and provided initiatives for transoceanic migration plus the role of shipping agents and agent networks and how passenger services were constructed within transatlantic networks Over the course of the text it becomes increasingly clear that by approaching mass migration as a trade issue the role of steamship companies in the facilitation of transatlantic migration is rendered both intrinsic and pivotal It consists of an introduction containing contextual information two sections providing historical overviews five chapters exploring different aspects of the shipping industry s response to mass migration conclusion bibliography and six appendices of passenger destination agent and advertising statistics **Practical Exporting** Benjamin Olney Hough,1915 Moore's Rural New Yorker ,1912
