Business As A Humanity:

Insights Into Digital Business, Human Resource Management, and Competitiveness Ordóñez de Pablos, Patricia, Lytras, Miltiadis D., Alkhalidi, Afnan, Malik, Sawsan, 2025-01-31 The digital and green transition is reshaping industries and economies driving innovation and sustainable growth across the globe By leveraging emerging technologies and intellectual capital governments and companies can foster long term competitiveness and resilience in a rapidly evolving landscape Understanding how different regions navigate this shift provides valuable insights into best practices and potential challenges The alignment of human resource and knowledge management strategies with digital transformation plays a crucial role in ensuring inclusive adaptive and future ready economies This transition not only boosts economic progress but also addresses global environmental and social goals paving the way for more sustainable development *Insights Into Digital Business Human Resource Management and Competitiveness* analyzes business human resource management and information technologies in different regions and discusses implications for companies and governments It is crucial to understand the key role of new and emerging technologies for the digital transformation of economies and societies and build more resilient and fair societies Covering topics such as social capital corporate social responsibility and circular economy this book is an excellent resource for industry leaders policymakers business owners human resource managers professionals researchers scholars academicians and more

Business, Human Rights, Technology, and Transitional Justice in Latin America Sebastian Smart, 2025-09-30 This book offers theoretical arguments and empirical studies that demonstrate why focusing on the interrelations of technology and transitional justice from a business and human rights approach is crucial to achieve basic objectives in terms of truth justice memory reparation and non repetition measures in post conflict settings This book elaborates a theoretical framework to analyze these topics and applies the framework through case studies to examine potential influence of technology in transitional justice mechanisms In this sense it contributes with information and legal economic political and institutional arguments in the agenda that interrelate these three main topics

How to Deal with Human Nature in Business Sherwin Cody, 1915 [The UN Guiding Principles on Business and Human Rights](#) Radu Mares, 2011-12-09 Ruggie's reports with a special emphasis on regulatory and governance issues surrounding corporate responsibility How does international human rights law handle corporations Are we beginning to grasp the complexities and impacts of financial markets on human rights What kind of corporate due diligence can make supply chains more socially sustainable Why should parent companies act when their affiliates infringe rights What is the potential of national human rights institutions in the area of business and human rights What is the role of states and law in the social change process promoted by the corporate responsibility movement How do we orchestrate polycentric governance regimes to ensure respect for human rights [Business and Human Rights](#) Dorothee Baumann-Pauly, Justine Nolan, 2016-04-28 In a global economy multinational companies often operate in jurisdictions where governments are either unable or unwilling to

uphold even the basic human rights of their citizens The expectation that companies respect human rights in their own operations and in their business relationships is now a business reality that corporations need to respond to Business and Human Rights From Principles to Practice is the first comprehensive and interdisciplinary textbook that addresses these issues It examines the regulatory framework that grounds the business and human rights debate and highlights the business and legal challenges faced by companies and stakeholders in improving respect for human rights exploring such topics as the regulatory framework that grounds the business and human rights debate challenges faced by companies and stakeholders in improving human rights industry specific human rights standards current mechanisms to hold corporations to account future challenges for business and human rights With supporting case studies throughout this text provides an overview of current themes in the field and guidance on practical implementation demonstrating that a thorough understanding of the human rights challenges faced by business is now vital in any business context Building a Treaty on Business and Human Rights

Surya Deva, David Bilchitz, 2017-10-19 This book provides a sustained treatment of the politico legal context and content of a proposed business and human rights treaty PROCEEDINGS OF NATIONAL SEMINAR ON MULTIDISCIPLINARY

RESEARCH AND PRACTICE VOLUME 1 Dr. M. Kanika Priya, This Conference Proceedings of the National Seminar entitled Multidisciplinary Research and Practice compiled by Dr M Kanika Priya records various research papers written by eminent scholars professors and students The articles range from English literature to Tamil literature Arts Humanities Social Science Education Performing Arts Information and Communication Technology Engineering Technology and Science Medicine and Pharmaceutical Research Economics Sociology Philosophy Business Management Commerce and Accounting Teacher Education Higher Education Primary and Secondary Education Law Science Mathematics Physics Chemistry Zoology Botany Agriculture and Computer Science Researchers and faculty members from various disciplines have contributed their research papers This book contains articles in Three languages namely English Tamil and Hindi As a editor Dr M Kanika Priya has taken up the tedious job of checking the validity and correctness of the research work in bringing out this conference proceedings in a beautiful manner In its present shape and size this anthology will hopefully find a place on the library shelves and enlighten the academics all round the world **Business and Human Rights** Nadia

Bernaz, 2016-10-04 Business corporations can and do violate human rights all over the world and they are often not held to account Emblematic cases and situations such as the state of the Niger Delta and the collapse of the Rana Plaza factory are examples of corporate human rights abuses which are not adequately prevented and remedied Business and human rights as a field seeks to enhance the accountability of business companies and businesspeople in the human rights area or to phrase it differently to bridge the accountability gap Bridging the accountability gap is to be understood as both setting standards and holding corporations and businesspeople to account if violations occur Adopting a legal perspective this book presents the ways in which this dual undertaking has been and could be further carried out in the future and evaluates the extent to which

the various initiatives in the field bridge the corporate accountability gap It looks at the historical background of the field of business and human rights and examines salient periods events and cases The book then goes on to explore the relevance of international human rights law and international criminal law for global business International soft law and policy initiatives which have blossomed in recent years are evaluated along with private modes of regulation The book also examines how domestic law especially the domestic law of multinational companies home countries can be used to prevent and redress corporate related human rights violations

When Business Harms Human Rights Karen Erica Bravo,Jena Martin,Tara L. Van Ho,2020-04-20 When Business Harms Human Rights uses reported narrations to discuss and analyze the experiences of individuals and communities from around the world and examines the impact that business activities has had on their lives The volume is situated within the broader subject area of business and human rights and uses various methodologies to share the perspectives of affected individuals and communities The narratives collected here follow rights holders in their attempts to secure remedies and examine the impact of the emerging legal regime of business and human rights

Research Handbook on Human Rights and Business Surya Deva,David Birchall,2020-07-31 This authoritative Research Handbook brings together leading international scholars and practitioners to provide in depth analysis of some of the most hotly debated topics and issues concerning the interface of human rights and business Offering critical insights on prominent strands of research within the field of business and human rights this comprehensive Research Handbook examines key challenges and potential solutions in the field
