Autobiography Of Harry S Truman:

The Autobiography of Harry S. Truman Harry S. Truman, 2002 Originally published Boulder Colo Colorado Associated University Press 1980 *Harry S. Truman* Robert H. Ferrell, 2013-07-22 Few U S presidents have captured the imagination of the American people as has Harry S Truman the man from Missouri In this major new biography Robert H Ferrell widely regarded as an authority on the thirty third president challenges the popular characterization of Truman as a man who rarely sought the offices he received revealing instead a man who with modesty commitment to service and basic honesty moved with method and system toward the presidency Truman was ambitious in the best sense of the word His powerful commitment to service was accompanied by a remarkable shrewdness and an exceptional ability to judge people He regarded himself as a consummate politician a designation of which he was proud While in Washington he never succumbed to the Potomac fever that swelled the heads of so many officials in that city A scrupulously honest man Truman exhibited only one lapse when at the beginning of 1941 he padded his Senate payroll by adding his wife and later his sister From his early years on the family farm through his pivotal decision to use the atomic bomb in World War II Truman s life was filled with fascinating events Ferrell s exhaustive research offers new perspectives on many key episodes in Truman s career including his first Senate term and the circumstances surrounding the Truman Doctrine and the Marshall Plan In addition Ferrell taps many little known sources to relate the intriguing story of the machinations by which Truman gained the vice presidential nomination in 1944 a position which put him a heartbeat away from the presidency No other historian has ever demonstrated such command over the vast amounts of material that Robert Ferrell brings to bear on the unforgettable story of Truman s life Based upon years of research in the Truman Library and the study of many never before used primary sources Harry S Truman is destined to become the authoritative account of the nation s favorite president

Plain Speaking Merle Miller, 2018-04-24 Never has a President of the United States or any head of state for that matter been so totally revealed so completely documented Robert A Arthur Plain Speaking is the bestselling book based on conversations between Merle Miller and the thirty third President of the United States Harry S Truman From these interviews as well as others who knew him over the years Miller transcribes Truman s feisty takes on everything from his personal life military service and political career to the challenges he faced in taking the office during the final days of World War II and the beginning of the Cold War Using a series of taped discussions from 1962 that never aired on television Plain Speaking takes an opportunity to deliver exactly how Mr Truman felt about the presidency and his thoughts in his later years on his accomplishments and the legacy he left behind The values of Plain Speaking on the whole are those of the highest form of political communication the bull session As with all good bull sessions what is said here ranges widely in quality and seriousness as one should expect when dealing with a complex man The New York Times Plain Speaking has a nostalgic downhome quality of good friends gossiping over the back fence or saying their piece of a twilight eve rocking on the porch and if those fellas back in Washington have

their secret machines running well they won't like what they overhear Not one little bit Kirkus Reviews *Harry S. Truman*
 Robert H. Ferrell, 2003-11-21 Each volume in the new American Presidents Reference Series is organized around an
 individual presidency and gathers a host of biographical analytical and primary source historical material that will analyze
 the presidency and bring the president his administration and his times to life The series focuses on key moments in U S
 political history as seen through the eyes of the most influential presidents to take the oath of office Unique headnotes
 provide the context to data tables and excerpted primary source documents Harry Truman was born on May 8 1884 He
 served with distinction during World War I as a commander of an artillery battery and he ultimately attained the rank of
 major In 1922 with the support of political boss Tom Pendergast Truman was elected as a county judge He lost reelection but
 then won again as presiding judge in 1926 and 1930 In 1934 Truman was elected to the U S Senate where he supported
 President Franklin Roosevelt's New Deal policies and entry into World War II When Vice President Henry Wallace alienated
 Democratic Party leaders Truman was nominated for vice president On April 12 1945 eighty two days into Truman's vice
 presidency Roosevelt died in Warm Springs Georgia At the age of sixty one Truman was sworn in as the thirty third president
 of the United States Key events during the Truman presidency include victory in World War II and Truman's decision to drop
 atomic bombs on Japan the start of the cold war with the Soviet Union and its eastern European satellites the Marshall Plan
 the Berlin airlift the Fair Deal price control legislation and the McCarthy hearings In March 1952 Truman announced that he
 would not seek reelection Harry S Truman died on December 26 1972 This new volume on the presidency of Harry S Truman
 will cover campaigns elections and the Pendergast connection Senator Truman particularly his chairmanship of the Special
 Committee to Investigate the National Defense Program FDR World War II and the atomic bomb decision Joseph McCarthy
 the cold war and the police action in Korea civil rights *The Autobiography of Harry S. Truman* Harry S. Truman, 1980 The
 Autobiography of Harry S Truman is a compilation of autobiographical writings composed by Truman between 1934 and
 1972 Taken directly from his own manuscript material the volume presents the thoughts and feelings of the man himself The
 book touches on details in Truman's life from his days as a boy until graduation from Independence High School in 1901 to
 the vice presidency of the United States and beyond There is also a memorandum written by Truman about the Pendergast
 machine in Kansas City telling how it was possible to work with the machine and not be soiled by it The Autobiography
 concludes with some of the retired president's thoughts about politics and the purposes of public life Copyright Libri GmbH
