Arnold-Friend, US Army Military History Institute, 1982 **Journal of the United States Infantry Association**, 1914
The Era of the Civil War--1820-1876 US Army Military History Research Collection, 1974 **Flames Beyond Gettysburg** Scott L. Mingus, 2009-03-09 An in depth look at a Confederate general and the first blood spilled at Gettysburg with maps photos and a guide to historic sites This book examines the key role played by Lt Gen Richard Ewell s Second Corps during the final days in June It is the first in depth study of these crucial summer days that not only shaped the course of the Gettysburg Campaign but altered the course of our nation s history In two powerful columns Ewell s Corps swept toward the strategically important Susquehanna River and the Pennsylvania capital looming beyond Fear coursed through the local populace while Washington and Harrisburg scrambled to meet the threat One of Ewell s columns included a veteran division under Jubal Early whose objectives included the capture and ransom of towns and the destruction of railroad bridges and the Hanover Junction rail yard Early s most vital mission was the seizure of the Columbia Bridge which spanned the Susquehanna River between Wrightsville and Columbia To capture the longest covered bridge in the world would allow the division to cross into prosperous Lancaster County and move against the capital in Harrisburg *Flames Beyond Gettysburg* vividly narrates both sides of Ewell s drama filled expedition including key Southern decisions the response of the Pennsylvania militiamen and civilians who opposed the Confederates and the burning of the Columbia Bridge It also features detailed driving tours of the various sites discussed in the book Based upon extensive primary source material and featuring original maps by cartographer Steven Stanley this fast paced and gracefully written history is a welcome and important addition to the Gettysburg literature **A Single Grand Victory** Ethan S. Rafuse, 2002-04-01 More than 800 men lost their lives and 2 700 were wounded Confederate General Thomas J Jackson earned his legendary nickname Stonewall here as fellow Confederate General Barnard Bee later fatally wounded in the battle shouted Yonder stands Jackson like a stone wall Both the North and the South believed that a single victory in this first major battle would decide the war before it barely started Yet the first battle of Manassas or Bull Run has not received nearly the same attention as the other major clashes of the Civil War *A Single Grand Victory* is a highly readable concise comprehensive narrative by Ethan S Rafuse professor of history at the United States Military Academy at West Point Rafuse worked as a park ranger at Bull Run where he gained great familiarity with the site and the literature on this battle His new book incorporates insights offered in recent scholarship on Civil War military political and cultural history The author describes the factors that led President Abraham

Lincoln to order an offensive against Confederates at Manassas Junction at a time when his most prominent military men advised against it The war policies of both the Union and Confederate sides are explained Rafuse offers descriptions and analysis of the individuals involved and the circumstances that influenced the manner in which the campaign was conducted He covers the critical events and operational and tactical decisions that shaped the campaign s course and outcome In addition A Single Grand Victory provides insights into American life in the nineteenth century by examining what motivated men to fight in 1861 and describing what led both North and South to expect the war would be a short one Southerners had anticipated that one victory like Bull Run would persuade the North to abandon the effort to restore the Union by force Northerners believed support for the Confederate rebellion was so shallow that one battle would end the war Civil War buffs will enjoy this lively new book that expands our understanding of the conflict at Bull Run and gives a clear account of the military history of the confrontation A.L.A.
