

An exploded view diagram of a 20cm Schmidt-Cassegrain telescope. The components are shown in a disassembled state against a background of a bright orange sun with rays and a field of white stars. The main components visible include the primary mirror housing at the top left, the secondary mirror assembly at the top right, the central optical tube with its internal mirrors, and the base mount at the bottom right. The diagram uses a combination of solid black and grey shading to represent the different parts.
