147 Practical Tips For Using Icebreakers With College Students:

147 Practical Tips for Using Icebreakers with College Students Robert Magnan,2005-01-01 Building a sense of community in the classroom is key to fostering a safe and supportive environment for learning Icebreakers are designed specifically for this purpose to create that sense of a community of learners working together If you are considering using icebreakers for the first time these tips offer convincing reasons for using them and suggest specific icebreakers for specific situations If you already use icebreakers these tips will expand your repertoire and provide thought provoking insights into other situations in which you could include community building activities You ll find tips and icebreakers that will 1 Help your students feel more comfortable 2 Introduce you 3 Get a sense of your students in general 4 Make it easier for your students to know each other 5 Encourage your students to share and explore differences 6 Generate interest in your course 7 Encourage your students to be interested in each other 8 Bring out students feelings about the subject and the course 9 Foster confidence and comfort in a virtual community

The Library Student Advisory Board Amy L. Deuink,Marianne Seiler,2009-03-23 This is a practical guide written by two professionals with real world experience establishing a library student advisory board Penn State University s Schuylkill campus library has such a board operating beautifully Different from traditional student advisory boards the club at Penn State Schuylkill resembles a public library s friends group The activities of the club benefit not only the library and campus but the club members themselves Just how much time effort and know how is required to form a library student advisory board Here is the answer Useful advice is offered on how to get a club started how to recruit new members and keep them active the duties of the club advisor basic do s and don ts of fundraising and how to build a successful relationship between the club the library director and the library staff

American Book Publishing Record ,2003 **Educating the Future GP** Patrick McEvoy,1998 This excellent book is long overdue It will be of benefit to anyone with an interest in general practitioner education and anyone considering applying for the post of course organiser should read the opening chapters to prepare them for interview This is a thoughtful book written in a clear and witty style and it deserves a wide readership It provides an educational framework on which general practitioner teaching can be based British Journal of General Practice This book is excellent because it deals not only with the nuts and bolts of being a course organizer but also addresses the difficulties frustrations and emotions involved in a witty and entertaining manner Anyone with an interest in postgraduate medical education at any level would benefit from reading this book Update Paddy McEvoy s book has rapidly and deservedly established itself as invaluable to anyone responsible for any form of postgraduate medical education Education for General Practice As well as updating and revising the book throughout Paddy McEvoy has managed to include sections about the wider context of training without making the book overly long or losing any of the delightful flavour of the first edition I have no doubt that you will find it both useful and enjoyable

Instructional Moves for Powerful Teaching in Higher Education Jeremy T. Murphy,Meira Levinson,2023-03-07

A toolkit of strategies for postsecondary instructors to use to cultivate safe inclusive learning spaces and improve teaching Based on work conducted through the Instructional Moves project at Harvard University Instructional Moves for Powerful Teaching in Higher Education outlines the many ways in which good college and graduate school teaching is rooted in deliberate pedagogical choices that support active learning Jeremy T Murphy and Meira Levinson distill good instruction to its essential components analyzing the careful steps successful instructors take to create learning spaces that encourage all students to do ambitious work Profiling professors in a range of contexts and disciplines Murphy and Levinson take readers on deep dives into individual instructors teaching methods in actual classrooms Each real world example is accompanied by a set of practical action points that can be adopted by both new and experienced instructors communities of practice and educational developers and coaches Collectively the examples underscore how students with differing abilities diverse identities and disparate worldviews can all benefit from student centered learning environments in which collaboration is valued and students are afforded opportunities to apply what they have learned Murphy and Levinson spotlight inclusive instructional moves such as community building exercises interactive lectures and discussion facilitation that nurture a sense of belonging and encourage student engagement in both in person and online settings They also explore the benefits of innovative teaching formats such as flipped classrooms simulations and virtual learning Instructional Moves for Powerful Teaching in Higher Education illustrates how pedagogical shifts small and large can improve college teaching powerfully
