Cardinals whom many called America's Team in the early to mid 20th century are a franchise with a winning past and a fan base that runs coast to coast. A handful of teams perhaps can say as much. The club's importance is better shown in its all-time roster: one of the better maps to baseball lore. Alexander marks the spot where Lazzeri and the murderous Yankees were bowed; Gibson where the hitters gave up hope and at last sent the rules framers to bat for them; McGwire where the haughty Ruth was made to doff his cap. This book is a collection of poems devoted to the Cardinals and their fans. It covers more than 100 years of Cardinal people and moments including celebratory poems for the triumphant squads, detailed portraits, the book's lush prints as well as the poet's interest in the visual arts justifies the term of standout players and memorial pieces for some of the greats who have passed from the Cardinal Nation. *Reversing the Curse* Dan Shaughnessy, 2006-04 Offers an inside look at the Red Sox Yankees rivalry and their ultimately historic 2004 season
