Stonecash,2006-02-16 Essays on New York State government and politics

Between Sex and Power Göran

Therborn,2004-07-31 The institution of the family changed hugely during the course of the twentieth century In this major new work Göran Therborn provides a global history and sociology of the family as an institution and of politics within the family focusing on three dimensions of family relations on the rights and powers of fathers and husbands on marriage cohabitation and extra marital sexuality and on population policy Therborn's empirical analysis uses a multi disciplinary approach to show how the major family systems of the world have been formed and developed Therborn concludes by assessing what changes the family might see during the next century This book will be essential reading for anybody with an interest in either the sociology or the history of the family Inequality and Poverty in China in the Age of Globalization

Azizur Rahman Khan,Carl Riskin,2001 China's explosive economic growth since 1988 has not resulted in an equal increase of income among all Chinese citizens The authors explore a range of reasons for the disparity and base their conclusions on strong empirical evidence especially the 1996 survey conducted by the State Statistical Bureau
