A Funny Thing Happened Collection Of Conservative Anecdotes:

A Funny Thing Happened on the Way to the Senate Wyman Spano, Nona Yates, 2010-07-15 The Franken Coleman campaign saga really begins with the tragic plane crash resulting in the death of Senator Paul Wellstone That moment provided Norm Coleman his second opportunity for major political reinvention the first being when he switched parties Following the tragedy Coleman shifted gears to run a kinder gentler series of television ads that hardly mentioned his new opponent Walter Mondale Meanwhile when Republicans accused Democrats of turning the Wellstone memorial service into a carefully choreographed political rally Franken was outraged He immediately set upon a mission to unseat Coleman which ended up with their eventual head to head run in 2008 The unprecedented recount and legal drama that ultimately decided the election was an appropriate coda to what had already been an extraordinary Minnesota Senate race **A Funny Thing Happened on the Way to the Senate** tells the whole story

A Funny Thing Happened B. E. White, Jr., 2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply
