Buffalo Hearts:

A Heart's Challenge Robert Meeks, 2022-04-26 A Heart's Challenge is about a young boy who was brought up on a farm in England in severe poverty with dreams of being able to rub two coins together. Running away from home was his only option and in doing so he began his adventure of finding his fortune and the love of his life all before his twenty first birthday. It was a hard road but he never waived in his beliefs.

Teachings from the Sacred Triangle, Volume One David K. Miller, 2002-01-01 Three forces must come together for a planetary healing to occur. The concept of the Sacred Triangle was introduced in David Miller's first book Connecting with the Arcturians which explored the fifth dimension and our relationship to higher Extraterrestrial groups. This new book explains how the Arcturian energy melds with that of the White Brother Sisterhood and the Ascended Native American Masters to bring about planetary healing. David offers the reader an understanding of the soul, the nature of soul evolution and how the human species is advancing towards the next evolutionary step. There will be many of you in this time who will be able to complete fantastic tasks. If I would declare to you what I see you would be astonished that you could possibly carry out such tasks. You must think that you have the ability to do this. You have the personal power. I ask you to look at the Sacred Triangle and see what role you can play in this. Others will be very interested when you explain this mission. I guarantee you there will be a very strong contingent that will ascend together as we are invited to join you in the Crystal Temple. We are very eager to meet you there as well. This is Chief White Eagle.
