Buffalo Wings Beer For The Married Mans Soul:

Buffalo Wings & Beer for the Married Man's Soul K. J. de Beau, 2004-08 When Nora first began her research on this project she knew the story would involve an ancient Egyptian Pharaoh as she has long been fascinated by the ancient Egyptian culture Browsing through the New York Public Library one day she accidentally knocked a book off the shelf which luckily turned out to be a biography of Akhenaten His life at first glance appeared so alluring that she spent the next six months researching his as well as that of his wife Nefertiti They were both incredibly enlightened and truly many years ahead of their time in fact Akhenaten s spiritual enlightenment was said to have influenced Moses Akhenaten and Nefertiti were also so in love with each other that Akhenaten never took another wife or concubine something unheard of in those days They turned out to be the perfect characters for which Nora was able to create a wonderful fantasy Akhenaten and Nefertiti have been reincarnating together for the past 3300 years They have been entrusted with the mission of The Lightbearers and whose responsibility throughout their lifetimes is to be guardians of the human race and to enlighten any whose path they cross Through reincarnation during each of their lifetimes they strive to overcome violence greed and injustice and in each lifetime leave pockets of individuals with whom they ve shared their secrets of life and death They have as well been ascribed with the powers of telepathy astral projection and psychokinesis They are highly evolved and highly enlightened While they can predetermine their respective genders and time in which they return they have no clue as to their identities In order to find each other in each lifetime they must determine a place a time and a signal by which they can identify each other as their appearance is also different The story unfolds in the 21st century where Jean Crystal Nefertiti s incarnate has been kidnapped by Dr Natas whose plan for world domination is temporarily disrupted by Jean and her husband George Akhenaten s incarnate Jean and George have discovered a secret about Dr Natas s experimental school a school completely computerized and roboticized When Jean and George are both assassinated they must reincarnate again and quickly to save the world from Dr Natas and his evil plans In this particular lifetime their favorite song was Imagine by John Lennon and so on the first Monday of October 2024 at 12 noon they decide to meet outside the computer science building on the UCLA campus in Los Angeles There she will find him sitting under a tree near the building with a guitar singing Imagine Together they set out on their mission Their reunion takes place 20 years later albeit not without a hitch
