Arthurian Legends on Film and Television Bert Olton, 2008-10-23 The Arthurian legends are a crucial part of Western culture. With their enduring themes, archetypal characters, and complex plots, it is not surprising that the stories of Camelot should find their way into films and television programs. From the moody *Excalibur* to the looney *Knighty Knight Bugs*, more than 250 entries give complete credits, synopses, and analyses. Included are works based solely on Arthur and his literary origins and works that feature other figures like Galahad, Percival, and the operatic favorites Tristan and Isolde. Also included are animated films, parodies like Monty Python's films like *Indiana Jones and the Last Crusade* with Arthurian themes, and television series with Arthurian episodes such as *Babylon 5* and *MacGyver*. Operatic and dramatic works recorded for film and television like *Camelot* are also covered. Appendices, bibliography, and index.

Animated Short Films Piotr Borowiec, 1998 A popular reference guide to theatrical cartoons that are presently available on video, tv, or in cinemas. It includes a brief history of the genre and several indexes.

Vitaphone Films Roy Liebman, 2015-05-20 The headline of the *Variety* extra on October 27, 1926, proclaimed Vitaphone "1 Thrills." L.A. Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies, even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact or that have been so carefully restored preserve much of the show business history that might otherwise have been lost with the industry's fast-paced advances in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions, 1926-1940, are listed first, followed by the West Coast productions, 1927-1970. For shorts, the following particulars, if known and if applicable, are given: title, alternate title, instrumental and vocal selections, performed on screen, composer's and performers of instrumental and vocal selections, release date, and synopsis of the film, names of major cast members, and directors' set information, if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers includes only those who appeared in shorts, listing dates and places of birth when known.
