Berthold Rittberger

Building Europe's Parliament Democratic Representation Beyond The Nation State

Olivier Costa, Nathalie Brack

Building Europe's Parliament Democratic Representation Beyond The Nation State:

Building Europe's Parliament Berthold Rittberger, 2005-03-24 Why have the national governments of EU member states successively endowed the European Parliament with supervisory budgetary and legislative powers over the past fifty years Building Europe's Parliament sheds new light on this pivotal issue and provides a major contribution to the study of the European Parliament Rittberger develops a theory of delegation to representative institutions in international politics which combines elements of democratic theory and different strands of institutionalist theory To test the plausibility of his theory Rittberger draws on extensive archival material and offers theory guided in depth case studies of three landmark decisions in the history of the European Parliament the creation of the Common Assembly of the ECSC in 1951 and the concomitant acquisition of supervisory powers vis vis the quasi executive High Authority the delegation of budgetary powers following the signing of the Treaty of Luxembourg in 1970 and the delegation of legislative powers resulting from the adoption of the Single European Act signed in 1986 This is followed by the charting of more recent key developments culminating in the adoption of the Constitutional Treaty in 2004 The book provides a welcome addition to the literature on institutional design by reflecting on the conditions under which governments opt for the creation and empowerment of parliamentary institutions in international politics It also makes a valuable contribution to the application of democratic theory to the study of the European Union by demonstrating that political elites shared the view that the new supranational polity which emerged from the debris of World War II suffered from democratic deficit since its inception thus disproving the claim that the lamented democratic deficit is a recent phenomenon Winner of the European Union Studies Association Prize for Best Dissertation 2002 2004 The Oxford Handbook of the European Union Erik Jones, Anand Menon, 2012-08-30 This is an authoritative one volume and independent treatment of the history functioning and nature of the European integration Written by a selection of leading scholars It covers the major institutions policies and events in the history of integration whilst also providing a guide to the major theoretical approaches that have been used to study it over time By bringing together such a distinguished cast covering such a wide array of themes the Handbook is intended as a one stop shop for all those interested in the European Union and its predecessors Written in an accessible style the volume is intended to shape the discipline of EU studies and to establish itself as the essential point of reference for all those interested in European integration both in universities and more broadly It represents a timely guide to an institution that is much discussed but often only imperfectly understood *The European Parliament in Times of EU Crisis* Olivier Costa, 2018-11-24 This book assesses the many changes that have occurred within the European Parliament and in its external relations since the Lisbon treaty 2009 and the last European elections 2014 It is undoubtedly the institution that has evolved the most since the 1950s Despite the many crises experienced by European integration in the last years the Parliament is still undergoing important changes in its formal competences its influence on policy making its relations with other EU institutions its internal organisation and its

internal political dynamics Every contribution deals with the most recent aspects of these evolutions and addresses overlooked topics providing an overview of the current state of play which challenges the mainstream intergovernmental approach of the EU This project results from research conducted at the Department of European Political and Governance Studies of the College of Europe Individual research of several policy analysts of the European Parliamentary Research Service EPRS have contributed to this endeavour

The Institutions of the European Union Dermot Hodson, Uwe Puetter, John Peterson, Sabine Saurugger, 2022 In a time of disruption and rapid change the European Union's institutions have endured In *The Institutions of the European Union* a team of expert contributors and editors explain everything you need to know about the functions powers and composition of these important organizations as they contend with the changing dynamics of European integration It is the most comprehensive guide to understanding how the institutions of the EU provide political direction govern policies and integrate contrasting interests within the EU New to this Edition Fully updated to cover the institutional changes prompted by Brexit Covid 19 and many other issues facing the EU A new introductory chapter presents the idea of EU institutional politics and explores its different dimensions Explores the urgent challenges of creating more diverse and inclusive EU institutions New discussion questions help you reflect critically and engage with the content to take your learning further Professor Uwe Puetter of Europa Universit t Flensburg and Sabine Saurugger of Science Po Grenoble UGA join Dermot Hodson as editors Book jacket

The European Parliament in the Contested Union Edoardo Bressanelli, Nicola Chelotti, 2020-06-09 The European Parliament in the Contested Union provides a systematic assessment of the real influence of the European Parliament EP in policy making Ten years after the coming into force of the Treaty of Lisbon which significantly empowered Europe's only directly elected institution the contributions collected in this volume analyse whether and under what conditions the EP has been able to use its new powers and shape decisions Going beyond formal or normative descriptions of the EP's powers this book provides an up to date and timely empirical assessment of the role of the EP in the European Union focusing on key cases such as the reforms of the EU's economic governance and asylum policy the Brexit negotiations and the budget The book challenges and qualifies the conventional view that the EP has become more influential after Lisbon It shows that the influence of the EP is conditional on the salience of the negotiated policy for the Member States When EU legislation touches upon core state powers as well as when national financial resources are at stake the role of the EP notwithstanding its formal powers is more constrained and its influence more limited This book provides fresh light on the impact of the EP and its role in a more contested and politicised European Union Bringing together an international team of top scholars in the field and analysing a wealth of new evidence *The European Parliament in the Contested Union* challenges conventional explanations on the role of the EP tracking down empirically its impact on key policies and processes It will be of great interest to scholars of the European Union European politics and policy making The chapters were originally published as a special issue of the Journal of

European Integration **Research Agendas in EU Studies** M. Egan, N. Nugent, W. Paterson, 2009-11-27 Leading scholars explore the complex questions arising from the ongoing transformation of Europe through the deepening and widening effects of European integration Based on authoritative analyses the book takes account of the many national transnational and international processes and contexts in which European integration has become embedded **Parliamentary Agency and Regional Integration in Europe and Beyond** Bruno Theodoro Luciano, 2021-08-17 This comparative book analyses the development of regional integration parliaments in three different continents of the world It assesses and compares the expansion and current stage of institutional development of three regional assemblies the European Parliament the Pan African Parliament and the Mercosur Parliament for Latin America Looking in particular at parliamentary agency it aims to answer why and to what extent these regional parliaments have developed differently in terms of their functions and legislative competences Drawing on new and original empirical data official documents and secondary literature the book focuses on the critical junctures in the trajectory of the three assemblies and argues that parliamentary agency has impacted the institutional development of the parliaments leading to diverse paths of regional parliamentarisation This book will be of key interest to scholars and students of global and regional governance comparative regionalism European Union studies legislative studies and more broadly to international relations history law political economy and international organisations

The European Parliament as an Accountability Forum Adina Akbik, 2022-02-03 An examination of executive actors accountability for EU economic decisions in the aftermath of the euro crisis **Legislative Codecision in the European Union** Anne Rasmussen, 2017-07-05 This volume takes stock of twenty years of practising and studying codecision in the European Union EU and examines the procedure s long term implications for the EU s institutions politics and policies The introduction of co legislation between the Council of Ministers and the European Parliament in 1993 raised the prospect of increased parliamentary involvement in EU decision making and promised a new era of more transparent inclusive and accountable policy making This collection draws together contributions from diverse theoretical and methodological perspectives in order to analyse the extent to which codecision has delivered the expected gains and to review the unexpected effects that have followed from its introduction such as the growing informalisation of EU decision making Using a combination of in depth qualitative case studies wider quantitative analyses practitioners insights and a review of the procedure s democratic legitimacy the contributions offer a holistic assessment of the effect of co decision on the political system of the EU This book was published as a special issue of the Journal of European Public Policy *How the EU Really Works* Olivier Costa, Nathalie Brack, 2016-04-29 The European Union is facing a profound crisis and is confronted with multiple challenges Over the last two decades it has experienced a series of dramatic changes to its powers its institutional design its constitutional framework and its borders At the same time the uneasy relationship between European citizens and elites has complicated both the reform and the function of the Union While the Lisbon treaty provided some answers to

crucial questions it did not clarify the nature of the EU which remains at the crossroads of federal and intergovernmental logic The current economic and financial crisis puts the EU s legitimacy further under pressure and creates the impression of a turning point This book provides a concise analysis of the EU and its dynamics by paying particular attention to its day to day operation It aims to help students and scholars understand its evolution its institutions its decision making and the interactions between the EU and various actors Avoiding abstract theorizing the authors propose an easy to read analysis of how the Union works while recognizing the complexity of the situation Throughout the book the key issues of European integration are addressed democratic deficit politicization the role of member states institutional crisis and citizen involvement

Building Europes Parliament Democratic Representation Beyond The Nation State Introduction

In todays digital age, the availability of Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Building Europes Parliament Democratic Representation Beyond The Nation State versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

Building Europes Parliament Democratic Representation Beyond The Nation State

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Building Europes Parliament Democratic Representation Beyond The Nation State books and manuals for download and embark on your journey of knowledge?

FAQs About Building Europes Parliament Democratic Representation Beyond The Nation State Books

What is a Building Europes Parliament Democratic Representation Beyond The Nation State PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Building Europes Parliament Democratic Representation Beyond The Nation State PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Building Europes Parliament Democratic Representation Beyond The Nation State PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF.

Building Europes Parliament Democratic Representation Beyond The Nation State

Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Building Europes Parliament Democratic Representation Beyond The Nation State PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Building Europes Parliament Democratic Representation Beyond The Nation State PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
