Buddhist Directory:

Buddhist Directory Lorie,,Foakes,2012-10-02 This is an up to date guide to Buddhist centers facilities teachers retreats and courses throughout the United States and Canada Buddhist Directory includes thousands of listings from Zendo to vegetarian restaurants that you will want to explore along the Buddhist path to nirvana This directory also features a section that defines each sect of Buddhism as well as a glossary of Buddhist terms unique to each tradition making it an invaluable guide for those following the Buddhist Way *The Buddhist Directory* ,1987 **The American Buddhist Directory**

American Buddhist Movement,1985 **American Buddhism** Christopher Queen,Duncan Ryuken Williams,2013-10-18 This is the first scholarly treatment of the emergence of American Buddhist Studies as a significant research field Until now few investigators have turned their attention to the interpretive challenge posed by the presence of all the traditional lineages of Asian Buddhism in a consciously multicultural society Nor have scholars considered the place of their own contributions as writers teachers and practising Buddhists in this unfolding saga In thirteen chapters and a critical introduction to the field the book treats issues such as Asian American Buddhist identity the new Buddhism Buddhism and American culture and the scholar s place in American Buddhist Studies The volume offers complete lists of dissertations and theses on American Buddhism and North American dissertations and theses on topics related to Buddhism since 1892 **British Buddhism**

Robert Bluck,2006-09-27 British Buddhism presents a useful insight into contemporary British Buddhist practice It provides a survey of the seven largest Buddhist traditions in the United Kingdom including the Forest Sangha Theravada and the Samatha Trust Theravada the Serene Reflection Meditation tradition Soto Zen and Soka Gakkai both originally Japanese the Tibetan Karma Kagyu and New Kadampa traditions and Friends of the Western Buddhist Order Based on extensive fieldwork this fascinating book determines how and to what extent British Buddhist groups are changing from their Asian roots and whether any forms of British Buddhism are beginning to emerge Despite the popularity of Buddhism in Britain there has so far been no study documenting the full range of teachings and practice This is an original study that fills this gap and serves as an important reference point for further studies in this increasingly popular field *Buddhist Directory of Hawaii, 1951*

Hawaii Buddhist Council,1951 **The ^ANew Buddhism** James William Coleman,2002-05-16 In our multicultural society faiths formerly seen as exotic have become attractive alternatives for many people seeking more satisfying spiritual lives This is especially true of Buddhism which is the focus of constant media attention thanks at least in part to celebrity converts major motion pictures and the popularity of the Dalai Lama Following this recent trend in the West author James Coleman argues that a new and radically different form of this ancient faith is emerging The New Buddhism sheds new light on this recent evolution of Buddhist practice in the West After briefly recounting the beginnings and spread of Buddhism in the East Coleman chronicles its reinterpretation by key Western teachers in the nineteenth and twentieth centuries ranging from the British poet Sir Edwin Arnold to the Beat writer Alan Watts Turning to the contemporary scene he finds that Western

teachers have borrowed liberally from different Buddhist traditions that never intersect in their original contexts Men and women practice together as equals ceremonies and rituals are simpler more direct and not believed to have magical effects Moreover the new Buddhism has made the path of meditation and spiritual awakening available to everyone not just an elite cadre of monks Drawing on interviews with noted teachers and lay practitioners as well as a survey completed by members of seven North American Buddhist centers Coleman depicts the colorful variety of new Buddhists today from dilettantes to devoted students and the dedicated teachers who guide their spiritual progress He also details the problems that have arisen because of some Western influences especially with regard to gender roles sex and power Exploring the appeal of this exotic faith in postmodern society and questioning its future in a global consumer culture *The New Buddhism* provides a thorough and fascinating guide to Western Buddhism today *Asian Americans Information Directory* Karen Backus,1992

Singapore Ethnic Mosaic, The: Many Cultures, One People Mathews Mathew,2017-10-31 Far from being a melting pot multi racial Singapore prides itself on the richness of its ethnic communities and cultures This volume provides an updated account of the heterogeneity within each of the main communities the Chinese Malay Indian Eurasian and Others It also documents the ethnic cultures of these communities by discussing their histories celebrations cultural symbols life cycle rituals cultural icons and attempts to preserve culture While chapters are written by scholars drawing insight from a variety of sources ranging from academic publications to discussions with community experts it is written in an accessible way This volume seeks to increase intercultural understanding through presenting ample insights into the cultural beliefs and practices of the different ethnic communities While this book is about diversity a closer examination of the peoples and cultures of Singapore demonstrates the many similarities communities share in this Singaporean space [Handbook for Asian Studies Specialists](#) Noriko Asato,2013-10-08 An indispensable tool for librarians who do reference or collection management this work is a pioneering offering of expertly selected print and electronic reference tools for East Asian Studies Chinese Japanese and Korean *Handbook for Asian Studies Specialists A Guide to Research Materials and Collection Building Tools* is the first work to cover reference works for the main Asian area languages of China Japan and Korea Several leading Asian Studies librarians have contributed their many decades of experience to create a resource that gathers major reference titles both print and online that would be useful to today's Asian Studies librarian Organized by language group it offers useful information on the many subscription based and open source electronic tools relevant to Asian Studies This book will serve as an essential resource for reference collections at academic libraries Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on all three countries into one work or are written in English And unlike the other resources available this work provides the insight needed for librarians to make informed collection management decisions and reference selections
