

8º básico Unidad 2: Las diferentes vivencias y expresiones de la religiosidad de los pueblos.

PRINCIPALES RELIGIONES DEL MUNDO: BUDISMO

Estudiante		Fecha	
Semestre	2º semestre	Curso	

El budismo propone un método para aspirar a la trascendencia.

I. ¿Qué es el budismo?

El budismo es una religión y una filosofía de origen indio y no teísta (que no propone la existencia de ningún Dios). Se fundamenta en las enseñanzas dhármicas tradicionales indias y, especialmente, en los métodos de búsqueda de la iluminación propuestos por el asceta y predicador mendicante Siddharta Gautama (c. 563- 483 a. C.), apodado “El Buda” o “El despierto”.

Con más de 500 millones de adeptos en el mundo, especialmente en el este y sudeste de Asia, el budismo es entendido como un método para aspirar a la trascendencia, por lo que se lo considera más una doctrina filosófica que una religión organizada.

El budismo se caracteriza por buscar el nirvana, un estado espiritual de paz y libertad que se consigue al superar el dukkha (sufrimiento) y el samsara (existencia cíclica del individuo que consta del nacimiento, muerte y renacimiento). Para esto sus seguidores se basan en técnicas espirituales, como la meditación, mediante las cuales persiguen la calma y la contemplación y buscan la liberación dentro del individuo y no en el medio externo.

Existen tres tradiciones principales dentro del budismo, que varían según su interpretación del camino hacia la liberación propuesto por el método budista. Estas tradiciones o escuelas son la base del budismo moderno en distintas partes del mundo y son: el budismo Theravada, el budismo Mahayana y el budismo Vajrayana.

II. Principales creencias

- El budismo no reconoce ningún Dios o deidad suprema, sino que se centra en alcanzar la iluminación espiritual, es decir, el estado del nirvana, a través del cual el ser humano accede a la paz y sabiduría infinitas.

- El camino hacia la iluminación debe hacerse por mano propia, a través de la meditación, la sabiduría y la moral, y se debe evadir el deseo y

evitar el egoísmo, la auto-indulgencia y el sufrimiento.

- Las almas se hallan inmersas en un ciclo eterno de muerte y reencarnación (samsara), del cual el individuo solo puede escaparse a través de la iluminación espiritual.

- Las leyes del karma sostienen que toda acción intencionada positiva genera consecuencias positivas y viceversa.

III. Símbolos y libros importantes

La rueda del dharma forma parte de los “ocho signos auspiciosos”.

Uno de los símbolos más representativos del budismo es la “rueda del dharma” (dharma chakra), que tiene la forma de un timón marítimo y es uno de los símbolos del dharma, es decir, de la ley o religión, tanto en el budismo como en el hinduismo y el jainismo. Las ocho puntas de la rueda simbolizan el camino óctuple propuesto por Buda.
