Godfrey,2013-06-04 This combination parenting and personal finance book helps parents teach their children key money skills such as saving spending budgeting investing building credit and donating that they ll need to become financially secure adults In this updated edition of Raising Financially Fit Kids Joline Godfrey shares knowledge gleaned from two decades of preparing children and families for financial independence and stewardship philanthropic effectiveness and meaningful economic lives At the heart of the book are three big ideas Financial education is not just about the money it s about building great families and raising self confident kids who have the tools to realize their dreams Financial sustainability means living within one s means and acquiring skills to create and manage human and financial capital Giving wisely is a global citizen s responsibility Designed for parents grandparents mentors advisors and educators Raising Financially Fit Kids uses ten core money skills applied across five developmental life stages children tweens middle schoolers high schoolers and twenty somethings Each stage includes age appropriate activities that make financial fitness fun from mall scavenger hunts to financial film festivals In this global economic landscape we all need financial fluency Whether your child is five fifteen or twenty five years old it s never too late to teach financial literacy Raising Financially Fit Kids prepares your children for the complexities of living in a global economy and helps your family up your game from good to great *Making Sense of Public*

Opinion Claudia Strauss,2012-10-15 Questions about immigration and social welfare programs raise the central issues of who belongs to a society and what its members deserve Yet the opinions of the American public about these important issues seem contradictory and confused Claudia Strauss explains why public opinion on these issues and many others is formed not from liberal or conservative ideologies but from diverse vernacular discourses that may not fit standard ideologies but are easy to remember and repeat Drawing on interviews with people from various backgrounds Strauss identifies and describes 59 conventional discourses about immigration and social welfare and demonstrates how we acquire conventional discourses from our opinion communities Making Sense of Public Opinion American Discourses about Immigration and Social Programs explains what conventional discourses are how to study them and why they are fundamental elements of public opinion and political culture **This Is Not Fame** Doug Stanhope,2017-12-05 An unfiltered unapologetic hilarious and sometimes

obscene assemblage of tales from the down and dirty traveling comedy circuit Doug Stanhope has been drunkenly stumbling down the back roads and dark alleys of stand up comedy for over a quarter of a century roads laden with dank bars prostitutes cheap drugs farm animals evil dwarfs public nudity menacing third world police psychotic breaks sex offenders and some understandable suicides You know just for levity While other comedians were seeking fame Stanhope was seeking immediate gratification dark spectacle or sometimes just his pants Not to say he hasn t rubbed elbows with fame He s crashed its party snorted its coke and jumped into its pool naked literally and often repeatedly all while artfully dodging fame

himself Doug spares no legally permissible detail and his stories couldn't be told any other way They're weird uncomfortable gross disturbing and fucking funny This Is Not Fame is by no means a story of overcoming a life of excess immorality and reckless buffoonery It's an outright celebration of it For Stanhope the party goes on *The Dragonfly Effect* Jennifer Aaker, Andy Smith, 2010-09-28 Proven strategies for harnessing the power of social media to drive social change Many books teach the mechanics of using Facebook Twitter and YouTube to compete in business But no book addresses how to harness the incredible power of social media to make a difference The Dragonfly Effect shows you how to tap social media and consumer psychological insights to achieve a single concrete goal Named for the only insect that is able to move in any direction when its four wings are working in concert this book Reveals the four wings of the Dragonfly Effect and how they work together to produce colossal results Features original case studies of global organizations like the Gap Starbucks Kiva Nike eBay Facebook and start ups like Groupon and COOKPAD showing how they achieve social good and customer loyalty Leverage the power of design thinking and psychological research with practical strategies Reveals how everyday people achieve unprecedented results whether finding an almost impossible bone marrow match for a friend raising millions for cancer research or electing the current president of the United States The Dragonfly Effect shows that you don't need money or power to inspire seismic change
